Paint in the Fall

THE WEATH-
ER is more
settled then.

There is less dust, less
heat, not so many rainy,
cloudy days and the flies,
bugs, etc.,
are gone.

THE LUMBER
is drier after
the sum-
mer's heat
than after a
winter's

dampness. The paint will take
better hold of the wood and
dry hard and smooth.

THE PAINTER is not so busy
as during the "Spring rush,"
and can give the work better
attention and allow more time
for each coat to dry and harden.

THE PAINT is the essential
feature at any time of the year

and should be carefully consid-
ered. "Hand Made" mixtures
or cheap products are a waste
of time and money.

THE PROTECTION is the
primary object of painting and
in the winter your house needs

protection the
most: "High
Standard"
paint not only
gives the best
but the longest
protection of
all paints.

Don't do any
guessing—just insist on "High
Standard" Paint—and there
will be no regrets.

There are "Little Blue Flag"
Paints and Varnishes
for your house, barn,
wagons, carriages,
floors and wood-
work. Let us ex-
plain to you.

TRAVERSING CENTRAL OREGON.

Party of Railroad Men Strike Out
From The Dalles on Tour.

The Dalles, Oct. 6.—W. F. Nelson,
of the Oregon Trunk Line and a party,
including R. J. Martin of Kansas
City, president of the Oregon Valley
Land company; K. A. Martin, an ir-
rigation engineer, and H. A. Hunter of
the Oregon Military Road Grant com-
pany, arrived in the city last night.

They left for an extended trip this
morning to go over the line of the
Oregon Trunk through central Oregon
and down to the California boundary.
A big touring car arrived on one of
the boats last night from Portland,
and was used by the railroad men
this morning as they left for their
trip up the Deschutes valley to Ma-
dras, Prineville and central Oregon
points.

The party, it is said, will go over a
portion of the route of the Nevada,
California & Oregon railroad, which
is now building north, and has rails
laid within four miles of Lakeview.

While the Harriman system is
breaking all records in getting survey-
ing crews into central Oregon so as to
beat the Trunk Line to the rich coun-
try in that part of the state, still an-
other line, the McCloud River railway,
has surveyors out working north from
the present terminus of the McCloud
road at McGavie in Siskiyou county,
California, to Klamath Falls. This
line was surveyed many years ago,
and it was supposed that the McCloud
river line would be the first railroad
into Klamath Falls. After being built
from Upton to McGavie, however, the
line was abandoned so far as new work
was concerned, until the present survey-
ing party was started out.

The new survey for the McCloud
road, together with the work on the
Southern Pacific line from Midland,
in Klamath county, to Alturas, on the
line of the Nevada, California & Ore-
gon, makes northern California and
southern central Oregon practi-
cally the center of new railroad build-
ing for the west.

Excellent Health Advice.

Mrs. M. M. Davison of No. 379 Gir-
ford Ave., San Jose, Cal., says: "The
worth of Electric Bitters as a general
family remedy, for headache, bilious-
ness and torpor of the liver and bow-
els is so pronounced that I am
prompted to say a word in its favor,
for the benefit of those seeking relief
from such afflictions. There is more
health for the digestive organs in a
bottle of Electric Bitters than in any
other remedy I know of." Sold under
guarantee at Newlin's drug store. 50c.

Better Than Spanking.

Spanking does not cure children of
bed-wetting. There is a constitu-
tional cause for this trouble. Mrs. M.
Summers, Box W, Notre Dame, Ind.,
will send free to any mother her suc-
cessful instructions. Send no money,
but write her today if your children
trouble in the way. Don't blame
the child, the chances are it can't
help it. This treatment also cures
adults and aged people troubled with
urine difficulties by day or night.

Stimulation Without Irritation.
In case of stomach and liver
ble the proper treatment is to stim-
late these organs without irritat-
them. Orino Laxative Fruit Syr-
aids digestion and stimulates the
and bowels without irritating the
organs like pills or ordinary cathar-
tics. It does not nauseate or grip
and is mild and pleasant to take.
