Paint in the Fall

THE WEATHER is more settled then. and should be carefully considered. "Hand Made" mixtures or cheap products are a waste of time and money.

There is less dust, less heat, not so many rainy, cloudy days and the flies, bugs, etc., are gone.

THE LUMBER is drier after the summer's heat than after a winter's dampness. The paint will take better hold of the wood and dry hard and smooth.

THE PAINTER is not so busy as during the "Spring rush," and can give the work better attention and allow more time for each coat to dry and harden.

THE PAINT is the essential feature at any time of the year

Ladd Canyon, Ore., Oct. 7.—Special.—Messrs. William Banton and Mose Elledge finished the season's run of threshing last evening.

John Larm is to be operated on for appendicitis at Hot Lake hospital this morning.

The Wilcox Lumber company expects to get through sawing by the end of this week.

Joseph Linebarger, once in a while conveys a number of people from Hot Lake out to view the beet fields. Is that not one of the many good plans of helping "Boost the Grande Ronde valley"?

Wendell Hill is hauling lumber from the sawmill which he will use to construct a barn before winter.

Our school directors have purchased and placed in the school house a nice book case for the library books.

Frank Counsell is recovering from an attack of pleurisy.

Our neighborhood was visited yesterday by some travelers who appeared to be genuine, low-down gypsies. One dusky woman went about from farm house to farm house introducing herself as "Me good woman from Australia"; "Me good woman from Brazil," and anything which she chose to say, and begging for food. The end of her matted and braided hair was clasped with a large silver ring.

MISSING BOY FOUND.

Wallowa County Youngster Refused to Return to His Home.

Pendleton, Oct. 7.—William Boner, the young man whose mysterious disappearance Monday, while his father was telephoning a sister, had aroused fears of an attack of insanity, was located by his father last evening at Umatilla, and brought back to this city late this afternoon.

Young Boner took advantage of his father's engagement in the telephone booth to disappear. He walked to Barnhart, whence he took a freight to Umatilla. The father with Deputy Sheriff Joe Blakeley, went as far as Echo in pursuit yesterday, when the officer gave up the chase at that point.

No excuse is given for the action of the young man other than that he was opposed to returning to his home in Wallowa.

Must Pay Up.

All persons knowing themselves indebted to the undersigned, are hereby notified to call at my old stand on or before October 16, and settle by cash or note, as on that date I am compelled to close my books, and will have no permanent office. By complying with the request you will confer a great favor upon me.

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orin's Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.

Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
