Paint in the Fall

THE WEATHER is more settled then. and should be carefully considered. "Hand Made" mixtures or cheap products are a waste of time and money.

There is less dust, less heat, not so many rainy, cloudy days and the flies, bugs, etc., are gone.

THE LUMBER is drier after the summer's heat than after a winter's dampness. The paint will take better hold of the wood and dry hard and smooth.

THE PAINTER is not so busy as during the "Spring rush," and can give the work better attention and allow more time for each coat to dry and harden.

THE PAINT is the essential feature at any time of the year

THE PROTECTION is the primary object of painting and in the winter your house needs protection the most. "High Standard" paint not only gives the best but the longest protection of all paints.

Don't do any guessing—just insist on "High Standard" Paint—and there will be no regrets.

There are "Little Blue Flag" Paints and Varnishes for your house, barn, wagons, carriages, floors and wood-work. Let us explain to you.

Firebugs Prevail.

Baker's firebug seems to be continually at it. Last night two alarms were turned in. One was from South Baker, and it proved to be only a pile of trash burning. This occurred about 8 o'clock in the evening. Near 10 o'clock fire broke out in the paint and paper store of Landroth & Co., on Center street. A pedestrian, when passing the store, noticed there was a very bright light inside, although blinds to the front windows had been drawn closely. He investigated and found that the building was on fire. As near as he could tell the blaze started in the front room behind a counter.

Excellent Health advice.

Mrs. M. M. Davison of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Newlin's drug store. 50c.

Better Than Spanking.
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
