## Paint in the Fall

**THE WEATHER** is more settled then. There is less dust, less heat, not so many rainy, cloudy days and the flies, bugs, etc., are gone.

**THE PROTECTION** is the primary object of painting and in the winter your house needs protection the most. "High Standard" paint not only gives the best but the longest protection of all paints.

**THE PAINTER** is not so busy as during the "Spring rush," and can give the work better attention and allow more time for each coat to dry and harden.

**THE PAINT** is the essential feature at any time of the year

and should be carefully considered. "Hand Made" mixtures or cheap products are a waste of time and money.

Don't do any guessing—just insist on "High Standard" Paint—and there will be no regrets.

There are "Little Blue Flag" Paints and Varnishes for your house, barn, wagons, carriages, floors and wood-work. Let us explain to you.

## 929 ENTER FIRST MONTH

Nine hundred and twenty-nine students are registered in the city schools according to figures compiled yesterday, the end of the first school month. These figures, compared with 891 on the same day last year, shows an increase of 33 students. The coming month will see still more entered, and in fact, students will continue to come in until Christmas time.

**Increase in High School.**  
Of the increase, 30 of them appear in the high school, where 131 are entered at the end of the first year, in comparison with 101 at the same time last year.

**Pay Day for Teachers.**  
Every teacher in the city wore a contented look today for the first pay day of the year occurred yesterday. The pay checks are as welcome as the flowers in May, and few, if any, in the city, earn their salary more thoroughly than they.

**Indian Policeman.**  
There are two Indian policemen at the race track, who keep the Yakima warriors and belles under their watchful eyes. Yesterday morning at 2 o'clock one of the policemen brought a drunken Indian to the county jail, and yesterday afternoon another was brought to jail. The culprits were kept until they became sober and then were turned loose.

The city has no surveillance over the doings of the Indians while they are outside the city limits, so Sheriff Chrisman has charge of all that are brought to the county jail.—The Dalles Chronicle.

**She Likes Good Things.**  
Mrs. Charles E. Smith of West Franklin, Me., says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers are at Newlin's drug store. 75c.

# DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

## FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

### How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

### G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of these symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and \$1.00.
