### Paint in the Fall

**THE WEATHER** is more settled then.

There is less dust, less heat, not so many rainy, cloudy days and the flies, bugs, etc., are gone.

**THE LUMBER** is drier after the summer's heat than after a winter's dampness.

The paint will take better hold of the wood and dry hard and smooth.

**THE PAINTER** is not so busy as during the "Spring rush," and can give the work better attention and allow more time for each coat to dry and harden.

**THE PAINT** is the essential feature at any time of the year

and should be carefully considered. "Hand Made" mixtures or cheap products are a waste of time and money.

**THE PROTECTION** is the primary object of painting and in the winter your house needs protection the most. "High Standard" paint not only gives the best but the longest protection of all paints.

Don't do any guessing—just insist on "High Standard" Paint—and there will be no regrets.

There are "Little Blue Flag" Paints and Varnishes for your house, barn, wagons, carriages, floors and wood-work. Let us explain to you.

### S.S.S. A CURE FOR RHEUMATISM

Rheumatism is caused by an excess of uric acid in the blood, which is carried through the circulation to all portions of the system. Every muscle, nerve, bone and joint absorbs the acid, pain-producing poison, causing aches, inflammation, stiffness and other well known symptoms of the disease. Permanent relief from the pains and discomfort of Rheumatism cannot be expected from the use of liniments, plasters, and other external treatment which does not reach the blood, where the cause is located. Such measures give temporary relief, but in order to cure Rheumatism the uric acid and inflammatory poison must be expelled from the blood. S. S. S. cures Rheumatism because it is a perfect blood purifier. It goes down into the circulation, neutralizes the uric acid and drives it from the blood. S. S. S. expels the irritating, inflammatory matter which is causing the pain, swelling and other discomfort, enriches the weak, sour blood, and permanently cures Rheumatism. In all forms of Rheumatism, whether acute or chronic, S. S. S. will be found a safe, vegetable remedy, possessing the properties needed to cure, and at the same time a medicine that builds up the entire system by its fine tonic effects. Book on Rheumatism and any medical advice free to all who write.

Cured Hay Fever and Summer Cold. A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly

cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.

### BEHIND BARS UNTIL DEATH

Baker City, Oct. 10.—This morning at 9 o'clock, the hour appointed by Judge Smith for passing sentence on D. R. Trapp, the man convicted of murder in the second degree for killing Slim Jaspersen, the Huntington bartender, and John Hancock who was convicted of stealing brass from a local foundry, the court contained several people who had assembled to hear the judge's remarks.

D. R. Trapp was sentenced to prison for the rest of his natural life. When the court asked if the prisoner or attorneys had anything to say, Trapp replied, "No, your honor." Silence fell over the court room and then Trapp's father, of whom mention has before been made, slowly arose and said, "I hope that you, nor any of you who are in this room, will ever be called upon to witness what I have this morning." With these few words the old gentleman sank into his chair sobbing like his heart would break. There were few dry eyes in that court room.

### LARGE YIELDS

Twenty-two hundred and fifty combined harvesting machines, operated by steam, gasoline, horses and mules, and 60,000 men were required to garner the wheat crop, estimated at 60,000,000 bushels, in Washington, Oregon and Idaho. The value of the crop is placed at from \$45,000,000 to \$50,000,000.

The machines cut about 50 per cent of the total yield, and on this it is estimated there was a saving of 5 cents a bushel and two bushels of waste grain to the acre, adding nearly \$2,000,000 to the revenue of the producers. The men were paid \$6,000,000 in wages, the average cost of saving the crop being 10 cents a bushel, exclusive of bags and hauling to warehouses.

The harvester established a new record this year in saving the crop in three states, as never before were the wheat belts stripped of their stands of grain in such time. The farmers had the most efficient help in years and at no time were they obliged to suspend or even curtail operations because of shortage.

The average earning of each man was \$100 for the season. The average threshing crew of four men, headed, stacked and threshed 2000 bushels a day. The average yield was a little more than 20 bushels to the acre, while individual fields reported as high as 42 bushels.

### The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerin. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Senneder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels and, through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing by applying to them Dr. Pierce's All-Healing Salve. If your drug-store doesn't happen to have this Salve in stock, send fifty-four cents in postage stamps to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.
