

EYE AND EAR INSPECTION

The annual eye and ear inspection which the O. R. & N. gives all its employees, will take place in La Grande early this week. The inspection car, carrying high officials, and eye and ear specialists left Portland this morning and will hurry to La Grande, reaching here tomorrow, according to advance notices. This inspection is an important phase of the annual inspections. The employees are given a thorough inspection as to strength and soundness of those two senses which play important parts in the intricate machinery of railroad service. On account of the fact that so many employees are located here and many of them will be out on the road tomorrow, the car will likely remain in the city for two or three days. There are but few stations between here and Portland that will demand as much time as La Grande.

Comic Opera of High Class.

Surprises at the lightning-like changes of stage settings, and true humor by a set of high-class comedians, won favor in La Grande last Saturday night for "The Cat and the Fiddle" company which played to the first full house of the season at the Steward. The comic opera is crammed full of laughs from start to finish. The director's gown, too, made its first appearance in La Grande by reason of the appearance of the opera.

INTERESTING FACTS.
The B. M. Hyde Drug Co. Offer to Cure Catarrh—The Medicine Costs Nothing if They Fail.

When a medicine effects a cure in 98 per cent of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of Rochester to substantiate. We want them to try Rexall Mucuo-Tone, a medicine prepared from a prescription of a physician whose specialty was catarrh, and who has a record of 30 years of cures to his credit. We sell more bottles and receive more good reports about Rexall Mucuo-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucuo-Tone is, it would be the only catarrh medicine we would have any demand for. Rexall Mucuo-Tone is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membranous tracts, destroys and removes the parasites which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissues, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with health activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Mucuo-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tells us, and we will quickly return your money without question or quibble. We have Rexall Mucuo-Tone in two sizes, 50c and \$1.00. A. T. Hill.
