### How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening

medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

### COMMISSIONERS AT BAKER.

Railroad Commission Holds Session at Haines Saturday.

Railroad Commissioners Campbell and West were in Baker City Saturday evening. They came up from Haines in the afternoon after hearing a case wherein the shippers of Haines are asking that the O. R. & N. railroad company be forced to enlarge the stock yards at that station. The commission took the matter under advisement and will give their decision later, says the Herald.

Accompanying the commissioners was A. C. Spencer, a member of the legal department of the railroad company. There was little that either side had to say about the matter.

In speaking of Chamberlain's West said there is no question but that the governor will be elected by the next legislature. He admitted that there would be a strong effort made to defeat him and expressed his belief that a large sack of filthy lucre would be raised for the purpose. He thinks no senator or representative can afford to go back on his pledge to the people.
