

DELEGATES ARE HOME

FLORAL WORK CAPTIVATES BAKER EASTERN STARS.

Twenty-Two Members of Local Chapter Return From Baker City This Morning, Pleased With Reception, and Pleased With Compliments Received There.

The delegation of 22 members of Baker Chapter of the Eastern Star, returned this morning from Baker City, where they spent yesterday and last night as guests of the Baker City order. Pleased but happy, expresses the general feeling among the visitors to the mining town. The La Grande delegates captivated the entire attendance last evening by putting on the spectacular floral work in such a way that every spectator was amazed. Compliments were received on every hand after the drill work was finished. Following the lodge exercises, an elaborate banquet was served and to this were seated the 22 delegates from here, six other members of Hope Chapter who are located in Baker City and Huntington, 29 Eastern Star members from Sumpter and the Baker City lodge members. Mrs. Rinehart of Sumpter, who holds the exalted position of grand conductress, was present and responded to a toast. Mrs. W. H. Bohnenkamp was also on the toast list and did the La Grande delegates proud with her manner of response. Those who went from here were:

Mesdames W. A. Worstell, H. C. Grady, M. K. Hall, C. T. Bacon, May Royes, J. L. Curtis, Frank Holmes, Edna Swartz, David Bay, Carrie Hunter, W. H. Bohnenkamp, Minnie Rinehart; Mr. and Mrs. J. H. Russell, Miss Pauline Lederle, Mary Warnick, Will Stein, Miss Bess Bohnenkamp, Miss Gertrude Ralston and Wilbur Rinehart.

A.-Y.-P. EXPOSITION NOTES.
Two hundred men and 60 teams are at work preparing the ground for the Pay Streak at the Alaska-Yukon-Pacific exposition, which will be held in Seattle next year. The great pleasure resort will contain 100 of the biggest and best amusement features.

A feature of the exposition will be the exhibit of a prehistoric town discovered in southern Oregon by A. N. Sayre of Tacoma. The ruins will be moved bodily to Seattle.

A careless miser some years ago buried his gold in the forest which is now part of the grounds of the University of Washington at Seattle. Recently graders at work clearing the grounds for the exposition unearthed the hoard which was turned over to the police. If the owner does not show up, the laborers will get the money, \$960.

The Plymouth church at Seattle every year sends a huge box containing Christmas presents to the native children of the Arctic side of Alaska and Siberia. Last year each Eskimo youngster received a Teddy bear. This year bright-colored warm knit jerseys will be sent, as well as a box of candy. Some of these youngsters will be in the Eskimo village at the Alaska-Yukon-Pacific exposition next year.

The 1909 encampment of the United Spanish War veterans will be held in Tacoma during the exposition at Seattle. Last month the first camp of U. S. W. V. in Alaska was organized in Fairbanks. It started with 60 members. Another is to be organized at Nome. Both will have delegates at the 1909 encampment.

One of the world's record mine sales was that of the Hubbard-Elliott property on the Copper river, Alaska. L. Hirsch and company of London and Paris, bankers, bought the mines. Alfred Belt, the South African diamond king, is also interested. The sale price was \$7,500,000. Huge samples of the copper ore from this mine will be exhibited at the Alaska-Yukon-Pacific exposition next year.

AT THE PLAYHOUSES.
The breaking of a casting in the mechanism of the moving picture machine at the Pastime theater last evening, the performance was cut short. The films blocked and despite all efforts, could not be moved again until the trouble had been removed. But the show will be running tonight at full blast and will continue to present the fine program that centers about "Pocahontas," a picture full of beauty and color. Every portion of the show holds attention.

INTERESTING FACTS.
The B. M. Hyde Drug Co. Offer to Cure Catarrh—The Medicine Costs Nothing if They Fail.

When a medicine effects a cure in 98 per cent of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of La Grande to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician whose specialty was catarrh, and who has a record of 30 years of cures to his credit. We sell more bottles and receive more good reports about Rexall Mucu-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh medicine we would have any demand for. Rexall Mucu-Tone is quickly absorbed and carried by the blood until it thoroughly disinfests and cleanses the entire mucous membranous tracts, destroys and removes the parasites which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissues, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with health activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50c and \$1.00. A. T. Hill.
