

Excellent Health Advice.
 Mrs. M. M. Davison of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Newlin's drug store. 50c.

Cured Hay Fever and Summer Cold.
 A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.

She Likes Good Things.
 Mrs. Charles E. Smith of West Franklin, Me., says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers sold at Newlin's drug store. 25c.

NEWS FROM LADD CANYON

Ladd Canyon, Oct. 12.—(Special.)—John Larm, who was operated upon for appendicitis at the Hot Lake hospital last Wednesday morning, is very much improved.

We are receiving plenty of rain; the past few days.
 Mrs. Andrew Elliot, who resides near Union, came over last Wednesday to spend the day with her parents, Mr. and Mrs. John McCauley, sr.

Andrew Larm, youngest son of Mrs. Marie Larm, is here from Idaho on a visit.

The Wilcox sawmill has closed down. Wendell Ihil has two men at work on his new barn. Mr. Ihil is hauling the lumber from the Wilcox Lumber company sawmill.

The school teacher and scholars have organized a literary society just for the purpose of teaching the scholars how to debate on questions and to practice on recitations for the Ladd Canyon literary society which will be organized later. A short debate and program was rendered at the school house last Friday afternoon. The Misses Alta Banton, Eula Peebler, Kate Braden and Mabel Council were the only visitors.

REARRANGE THE FRONT

The Cull Smith building, corner Depot and Jefferson, is being reconstructed as far as window fronts and entrances are concerned. A large set of folding doors will be put in the Depot street side of the building. This can be done by raising the plate glass. The Jefferson avenue entrance will remain as before. As soon as the renovation is completed, the building will be occupied by the O'Connell pool and billiard hall, which is now located in the rooms adjoining the postoffice. Mr. O'Connell hopes to be in position to move into his new quarters within a week.

ON TOUR OF INSPECTION

The general inspection tour taken jointly by all officials of the O. R. & N. was made yesterday afternoon in this city. The full corps of officials and subordinates with several high office holders from the Southern Pacific spent several hours in the city. Superintendent Campbell remained while the others went west last night.

 At the request of the eleven from the Garden City the Walla Walla-Pendleton football game to have been played in that city on Friday was postponed for one week today and will be played on the 23d on the Walla Walla field. In order to fill the date the management of the local team is attempting to get a date with La Grande either in Pendleton or in that city.—Pendleton East Oregonian.

AT THE PLAYHOUSES.

New Artists Pleasing.
 New scenery and several "drops" have been added to the equipment on the scenic stage, and when the high-class vaudeville artists appear on the boards, they have every facility for doing their work well. Last evening Walters & Murray put on a sketch that was nifty. In fact the house makes a noise like a big vaudeville house. Leroy Berry has a stunt involving southern dialect in which he sings out the alphabet in a catchy manner. Berry is making a big hit, and there is considerable division of public opinion as to who is the most popular of the two teams working at the Scenic.

A delay in shipment is the reason why only one show of the new program was given last evening, but Manager Gardinier worked in some additional vaudeville and put on a hold-over film that was not particularly good, but filled the present want. Later on in the evening the full films arrived and one performance was given. Tonight the same films can be seen. "Vestal," is the beautiful thing among them, and many think it is the most highly colored and spectacular film seen in the Scenic yet. While unable to avoid the delay last night, the manager promises enough for tonight to make up for it.

NECESSARY SURGERY.
 "The necessity of surgery in extreme cases is recognized by osteopaths, and both major and minor surgery is taught in all osteopathic schools as a part of the regular course. They do not believe, however, that the use of the knife should be resorted to indiscriminately or hastily, but only after all other means have been exhausted. There is no question but that the osteopathic method of treatment is of immense advantage both preparatory to and following an operation, recovery being facilitated because the forces of nature are materially assisted in bringing about the reparative process."
