**BRYAN HAS
FINE CHANCE**

Pendleton, Oct. 21.—Because Captain Hobson would have had trouble in meeting his engagement in Portland today had the original plan been carried out, the hero of the Merrimac was unable to speak at Adams last evening.

Captain Hobson was scheduled to go west on No. 5 this morning, and left for Portland about 6 o'clock. He expressed great appreciation of the pleasures of his visit to Pendleton.

Bryan's Chances Bright.
Captain Hobson thinks Bryan's chances are bright. His stop in Pendleton was the only stop made upon his present trip from Washington, D. C., except about three hours spent in consultation with the democratic national committee in Chicago. From his study of the situation in Washington, and later in Chicago, Captain Hobson affirms that Mr. Bryan's chances were never better, and expresses a strong hope for democratic success, based upon a conviction of the desire in the people for a change. Captain Hobson believes that unless vast sums of money are poured into New York, Ohio and Indiana during the last few days of the campaign for the purpose of buying votes that Mr. Bryan stands a great show of carrying their vote.

**EUGENE'S FEDERAL
BUILDING PLANS READY**

Eugene, Oct. 21.—The plans for Eugene's \$70,000 federal building are here. Through the courtesy of Postmaster Page we were shown them yesterday and they are fully up to the requirements. The building is 82x48 feet on the ground, and will be located some distance back from Willamette and West Sixth street, but not in the center of the site which the plans show is to be handsomely landscaped with driveways, flower gardens, lawn, etc. The basement and first floor plans are an exact reproduction of the plans given before for the \$50,000 building.

The building is rather handsome in design. On either side of the main arched entrance is a large arched window, allowing light into the lobby. All the other windows are rectangular and those on the second story are much smaller than the ones below. It is to be built of pressed brick and trimmed with cut stone and is to be made of first-class materials. It will suit the location admirably and will add prestige to the city to every visitor who comes within our bounds.

The estimated cost is \$55,000. This will leave \$15,000 for fixing up the outside, cement walks, etc. Bids are to be in by November 7, and it may be possible something may be done toward building it during the winter. It will probably be a year before we get into it.

Ball Player Married in Portland.

Ash Houston, who played short-stop for a time on the La Grande ball team last summer, has just been married. Of the wedding the Portland Journal says:

Dan Cupid scored another run today, when Asher Houston, baseball player, took out a license to wed Miss Edna Bullock, daughter of Fred Bullock. The ceremony will be performed at 8 o'clock tonight at the home of Rev. A. J. Montgomery. Both young people are well known locally.

Houston is one of the best known of the younger baseball players of the city. He has been a star in Tri-City league ranks for several years and this summer played for several weeks with the Oakland team of the Pacific Coast league. Next season he will probably be with Aberdeen in the Northwestern league.

Straw Vote Favors Taft.

On the train carrying the delegates from six of the northern counties of Idaho to the grand lodge of the I. O. O. F., which passed through Pendleton Monday night a straw vote was taken and resulted as follows: Taft, 102; Bryan, 54, and Debs 10. This was an average lot of men in all walks of life, and is taken to fairly represent the probable vote in most of the northern states.—Pendleton Tribune.

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherrylark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce, at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post. You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine or know composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, Druggist.
