How to Get Strong.
P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

Cured Hay Fever and Summer Cold.
A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.

MEETING OF BUSINESS MEN MONDAY NIGHT.

To Band Themselves Closer Together, the Business Men Will Form a Credit Association in This City—All Men of Business Asked to Attend Meeting at Commercial Club Monday Night—Body Badly Needed in All Cities of This Size.

The business men of La Grande are to be organized into a credit association if plans now on foot materialize. A meeting of all business men of the city is called for next Monday night at the Commercial club when an organization will be perfected that will be similar to those so successful in other cities.

The purpose of the club or association, will be primarily to protect business interests from professional bill jumpers. The proposition has worked out well in other cities and local business men believe the same thing will prove true here. At any rate, all business men should be at the meeting Monday when the plans will be advanced in all its phases. There will be a color of sociability in the club, for all work and no play makes Jack a dull boy. It is not to be in the nature of a boost club, it is thought, but one based on business principles of a home color, alone.

Not a few of the returning delegates from Idaho who went through exhibit hall this morning, expressed themselves to the effect that our apple exhibit at the depot surpassed that at the Boise fair. We knew this all the time, but it would have been difficult to have made these same delegates believe it unless this opportunity had been given them to have seen it for themselves.
