How to Get Strong.
P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

Cured Hay Fever and Summer Cold.
A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.

PLAY PICKED UNION TEAM

NOT A HIGH SCHOOL AFFAIR THIS AFTERNOON.

While One Man From Locals is Not a Student Now, Others Are Bona Fide Pupils—Union Team Strengthens Its Line With O. A. C. Graduates—Outcome in Doubt—Make Trip in Carryall—Many Rooters go to Sister Town.

Backed by a crowd of rooters that went to Union by train, automobile and teams, the La Grande high school football team this afternoon played a picked team from Union. The players went over in a large carryall.

Bacon, who will be a regular student in the high school hereafter, is with the team today, and will aid in holding down the big beaves of the Union team. The locals went over with the understanding that the Union lineup will include several who are not high school players, in fact, some of them are old O. A. C. men. Manager Clark, of the experiment farm, who has speed, skill and weight sufficient to figure in O. A. C. football of the past, was in the lineup. There were others who have played in the more important teams of the state. The high school filled in with lighter men. Knowing this, La Grande had nerved itself to the extreme in hopes of holding the Unionites down to a close score or break even at any rate.

Water Turned Loose.

Settlers in the Hermiston valley today are rejoicing over the fact that water was turned this morning into the big government ditch, and is now speeding on its way to the Cold Springs reservoir, where it will be stored for use during the summer of 1909.

The big gates were opened this morning and the water is now running through the concrete section of the feed canal, recently built. The temporary dams which have held back the seepage from the new concrete lining have been removed, and within a few days the water will be pouring over the big inlet drop into the reservoir. The water was turned in with a small head this morning, and it will be some time before the ditch will be carrying its full capacity.—Pendleton East Oregonian.
