FAIR RATES FROM EAST

Seattle, Oct. 24.—Travel to the North Pacific coast next summer will undoubtedly be the heaviest in the history of the transcontinental railroads. The railroads have fixed upon the rates that will be charged from what is known as the St. Paul and Missouri river points. At the recent meeting of the Transcontinental Passenger association the rates for the Alaska-Yukon-Pacific expedition next summer were settled.

From the following points—Omaha, Council Bluffs, Pacific Junction, Atchison, Leavenworth, St. Joseph, Kansas City, St. Paul, Minneapolis, Duluth and Superior—the round trip rate to the North Pacific coast points—Seattle, Tacoma, Portland, Everett, Bellingham, Victoria and Vancouver, B. C.—was fixed at \$50.

The tickets will go on sale May 25, 1909, and continue on sale until September 30, with a final return limit of October 31.

These rates and the wide limit of time will stimulate travel to this section as never before. Thousands drawn by the magnet of the great Pacific world's fair will come with the idea of looking into the resources of the country and hundreds of intending settlers will use this unexcelled opportunity to make their investigations.

The liberal rates for the St. Paul and Missouri river points means a like reduced round trip rate from Chicago and St. Louis points, and proportionate reduction from extreme eastern points. Never before have people had such a splendid opportunity.

MRS. OLIVER POISONED

Mrs. W. S. Oliver, only recently out of the hospital after a serious illness, is again suffering intense pain, caused by blood poisoning. A few days ago she accidentally pricked her arm with a pin, and from a trifling wound the trouble spread until at present she is in a critical condition. Dr. M. K. Hall was called after the infection had spread. She suffers much and is yet in the danger period. Only recently she was able to leave her bed and was just settling into her new home on Sixth street.

FIRST RIDE ON A TRAIN

O. S. Clark, a resident of Paradise, Willowa county, arrived in La Grande Saturday evening. Mr. Clark came to this coast in 1864, and has been just ahead of the railroad ever since. Therefore, his trip to La Grande gave him his first opportunity to ride on a railway train. Mr. Clark says his first experience was pleasant, and he is not at all sorry that the iron horse has caught up with him at last. He says the race has been a long one, but the engine had the best wind.
