MANY HEAR BRAMWELL

"Eternal progression—the divine law which reveals to the public the present and the future," was the subject of a highly interesting discourse early last evening in the L. D. S. tabernacle by Prof. Ernest Bramwell, president of the Fielding academy of Idaho. The address was a learned discourse on that broad subject, which can be handled only by men to give special and attentive study to the subject. A large crowd heard him and regretted that the arrival of the evening train from the west brought the address to a sudden close. Prof. Bramwell left on the evening train after having spent several days here with his brother, F. S. Bramwell.

How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

Cured Hay Fever and Summer Cold.
A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.

TRIM UNION IN FINE STYLE

ALL SUBS GIVEN A WARM-UP DURING GAME.

La Grande Team Easy Victory of Union—Speak Highly of Treatment Accorded Them—Regular Run Up Score Quickly During the First Half.

Scalp carriers, the La Grande high school football team returned home Saturday evening with a clean victory to their credit over the Union city team, composed of six high school and five city players. Seventeen to nothing was the score; but every substitute that accompanied the team to Union was given a try-out in the second half or the score would have been materially greater than that. But the affair gave the locals some splendid practice for the coming game of the season, with Pendleton.

Union won the toss and La Grande chose to defend the east goal and receive the kick-off. Reynolds ran the kick in about 20 yards. La Grande reached Union's 40-yard line, but lost on downs. On the next down a quarterback kick was gathered up by Reynolds and he ran 65 yards for the first touchdown, having a perfect interference that Union could not break. Myers kicked goal.

About one-half of the first half was played in the center of the field. During the last four minutes of play La Grande carried the ball down the field 40 yards, by smashes across tackles and short end runs, and with two minutes left to play Heidenreich shoved over for the second touchdown; Childers kicked goal.

The second half opened by La Grande kicking to Union with but 10 yards return. Union was held and punted to center of field. Here La Grande attempted a forward pass, which fell short by about six inches, and La Grande lost 15 yards for the incompleting pass. During about 10 minutes of play at this time, the ball was in La Grande territory, but the goal was never in danger. With eight minutes left to play Bacon was shoved over for the third touchdown; Childers failed at an easy goal.

During the remainder of the game the ball was in Union territory, and when time was called it was but four feet from Union's goal in La Grande's possession.

For La Grande Carpy made several 15 and 20 yard runs. Childers played a good game. He was always assisting the man with the ball and frequently carried him from three to five yards. Captain Myers played his best game of the season; Reynolds ran the team well; J. Williamson at right end, was always in the way of some Union player and Heidenreich made good gains, and fine tackles, and time after time downed the runner for loss. V. Bean demonstrated that he is one of the best centers in eastern Oregon; Grout at right guard, L. Williamson at left guard, Ingle at right tackle, Geddes and left tackle, all outplayed their men. In the second half Bacon played full. Earls at right tackle, Vern Bean at left guard and Rice at left tackle, all played better than they have played heretofore. The boys speak complimentary of the treatment accorded them by Union.

Notice of Final Account.

Swauger, administratrix of the estate of Emanuel Swauger, deceased, has filed in the county court of Union county, Oregon, her final report as administratrix of said estate, and that said court has set Monday, the 2nd day of November, A. D. 1908, at two o'clock P. M., for the hearing of said report and all objections thereto.

Dated this 3d day of October, A. D. 1908. **MARY E. SWAUGER,** Administratrix of Emanuel Swauger, Deceased.
