"WHERE NOTHING IS TOO MUCH TROUBLE"

WHICH BILL would you prefer to pay? A good stiff one to the doctor for curing some of your family of pneumonia or rheumatism or our modest one for the coal which would have prevented the illness? Think it over. Then give us the order for coal. Do it soon, too. Even a little chill may mean a big bill—for the doctor.

PLAY JOSEPH ELECTION DAY

Members of the second team of the Max school are waiting like Trojans to get the game for the day at the Joseph schools at Joseph, on November 3—election day. The arrangements for the game were closed yesterday and it appears certain that the game will be pulled off, and not cancelled at the last hour. Some heavy material has been added to the team and it is almost as heavy as the first team though lacking the speed and experience of the regulars.

BOOM ERA IN WALLOWA

Theodore Shell, a member of the Shell-Combs Mercantile Co. of Wallowa, was in the city last night on business. He returned on this morning's train. To The Observer, Mr. Shell stated that since the O. R. & N. had reached the town of Wallowa, business had greatly increased in all lines. Building operations are progressing rapidly, many having already been started and rapidly nearing completion. Still others are contemplated. The past few months have seen more developments than years of the past.

A Large Warehouse
 One of the extensive improvements at Wallowa is the construction of a large warehouse for the Wallowa Mercantile company. The Milnaugh houses, too, will be under process of construction ere many months.

Smith Sells Out
 An Enterprise which is no less active. Many large real estate transfers have been made of late. One of the latest sales is the one where Cull Smith has disposed of his moving picture machine, and outfit to his former partner, Mr. Shrader, and Roy McCully.

BUILD NEW AUTOMOBILE

The Whiteman garage on Depot street is building a four-passenger automobile around what there is left of a former small runabout. There is a bed of a runabout, lengthened to make room for the larger engine, and additional seats. The interior of the machine are practically finished and Dr. McLaughlin is painting them. It is expected to be ready for the road affair when completed. With few exceptions it will be a home-made affair but none need one for all that. The resemblance to a real factory-made machine will be marked.

Hansen Store Sold
 W. A. Hudson of Portland, informs the News that he has purchased the Hansen stock of goods, offered for sale October 19, and will open for business next Monday. He expects to put in a fresh stock of goods. He is inviting at present. The postoffice will remain where it is.—North Powder News.

Georgia State Fair
 Macon, Ga., Oct. 27.—A state fair was opened here today under the auspices of the Georgia State Agricultural society, and \$15,000 in prizes will be distributed among the exhibitors. A special prize of \$1000 has been offered for the best and most complete county agricultural display, and has provoked much rivalry among the different county organizations.

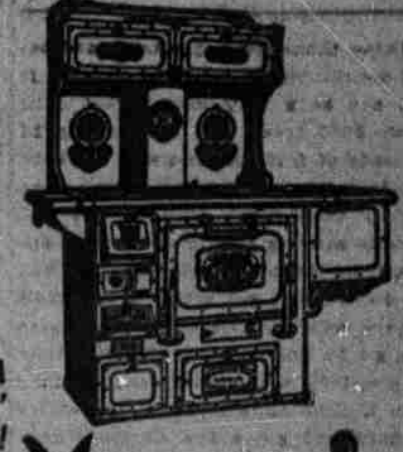

A tart temper never mellows with age, and a sharp tongue is the only edged tool that grows keener with constant use.
