BUILDING TAKES SHAPE

Rapid progress is being made on the Bolton & Bodmer implement building. The studdings are erected and the skeleton of the structure of the new work practically completed. Under favorable weather conditions, the large addition to the old stand will be finished in short order.
While the carpenters are giving shape to the Bolton & Bodmer structure, masons are laying the corner stones and foundation for the M. & M. company just across the street, on Jefferson. The excavation is well advanced.

COAL NEAR SILVERTON.

Farmers Form Union to Search for Supposed Vein of Coal.

Silverton, Ore., Oct. 27.—Believing the hills south of Silverton contain a rich vein of coal, several farmers have organized a company and will sink a drill within a few days with a view to locating the vein. They have leased 1200 acres of land adjacent to the city for 20 years. Prospecting is in progress under Chief Engineer Berry, who recently established the Scott's Mills mines.

Honolulu a City.

Honolulu, Oct. 27.—After the election a week from today, the city of Honolulu will be an incorporated municipality, with a full-fledged mayor, board of aldermen and all the other accessories and incidentals of machine politics, graft, etc., of any up-to-date American city. The charter of incorporation was granted by the last legislature, but its legality was questioned, and the matter has just been decided by a decision of the supreme court, holding that the act is all right as far as legal requirements go. Heretofore Honolulu has been governed in connection with the county of Oahu, which forms the island of the same name, a board of seven supervisors being the executive power. As the affairs of the county are most closely identified with the city the expediency or necessity of a separate administration is questioned by many citizens.

AT THE PLAYHOUSES.

Laughs Every Minute.
"The Ghost and the Nigger" is the title of a comedy sketch put on at the Scenic by Walters and Murray that brings down the house at each performance. It is a series of laughs from start to finish and when the comedy gets too exuberating, the pictures on the screens are such that turn the mind in another direction. The films are attractive. The Scenic stage has been repainted and improved so that now the actors are working in a pretty environment.

Pastime Draws Crowd.
The Pastime theater continues to give its patrons things that are pleasing in film and musical lines. The house last evening was well filled and everybody went away pleased—the same old story. Study the house ad and notice the change in program covering one film.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.

They Take the Kinks Out.
"I have used Dr. King's New Life Pills for many years, with increasing satisfaction. They take the kinks out of stomach, liver and bowels, without fuss or friction," says N. H. Brown, of Pittsfield, Vt. Guaranteed satisfactory at Newlin's drug store. 25c.
