LADD CANYON NEWS ITEMS

Ladd Canyon, Oct. 29.—(Special.)—County School Superintendent E. E. Bragg gave our school a pleasant call yesterday.

Wendell Ihl's new barn is nearing completion.

Theodore May is removing his family and household goods to Cove, where they will make their future home.

Roy Chase and family are moving to Union.

Apple picking is in full swing now and most of the owners will have a fine crop of them. Most of them are being stored away for future markets.

Messrs. James Mulholland and L. Rogers have returned from a hunting expedition.

Sam Braden has his new house on his place in the mountains nearly completed.

The Ladd Canyon school directors, Messrs. William Banton, James Mulholland and E. T. Peebler, are making some improvements which we should be proud of. New posts have been set around the school grounds, and woven wire strung; window guards have been placed on the windows, the well has been thoroughly cleaned, and a new glass door book case, a dictionary and small book shelf has been purchased.

Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your child has trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
