60 CARS OF LATE APPLES

LARGE SHIPMENT OF GIANT FIR POLES.

Potato Shipment From Cove Now in Progress—Will Total Fifteen Cars—Frost Hurt Them.

Cove, Oct. 28.—(Special.)—D. M. Clark, of the Cove Mercantile company, has ordered today from the Grande Ronde Electric company for a carload of giant fir poles to be used in the construction of the power line to La Grande. These poles come from the Clark and Berry property east of Cove, and are the best that can be secured for this purpose. Men are now at work cutting and peeling the timber and it is expected that loading can begin by Saturday. This is the second car of Cove fir poles to be used on the power line.

Many Apple Crops Sold.

It is reported that all the apples of this vicinity are sold, excepting the crop of B. F. Bell, A. Comstock and those belonging to Karl Stackland.

Packers are busy at the Stackland packing house in this city, but the packing is principally for local storage.

Mr. Stackland expects to ship only two or three cars of Kings and some other of the earlier varieties in the near future. It is estimated that Cove's crop of late apples will fill over 60 cars.

Miss Lorenz to Pendleton.

Miss Lulu Lorenz, well known in newspaper circles of eastern Oregon, left Tuesday for Pendleton, where she will take a position on one of the papers for a short time. Her home is in Cove.

Shipping Potatoes From Cove.

Several carloads of potatoes are being shipped from Cove this week. J. M. Duffy and William Ogden are loading three cars today, two for Moscow, Idaho, and one for Pullman, Wash. George Hohnes and others are shipping, and despite the recent frost which caused a noticeable shortage of the crop in this vicinity, it is reported that there will be about 15 cars of potatoes leaving Cove during the present season.

RUMOR A CANARD.

Banker Wright of Union, Not Interested in New Charter.

The rumor has been current in La Grande for several days that Banker W. T. Wright of Union, had made application for a bank charter to do business in this city. Owing to the fact that it was well known that within the last two years he had under consideration the purchase of the Farmers & Traders National bank, the rumor was given some credence. Mr. Wright, while in the city yesterday, stated that he had not considered the matter and had not applied for a charter.

In reference to his former attempt to get a bank in this city, Mr. Wright stated that it was a fact that he had practically concluded the negotiations for the purchase of the Farmers & Traders National bank and when he came over to close the matter Mr. Scriber remarked, "You understand, Mr. Wright, that I am to continue as manager for one year."

Mr. Wright stated that he did not so understand that such were the conditions, and declared the deal off immediately. At that time he did not understand why such a condition would be imposed or expected, but in view of recent developments it is now easily explained.

How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

Cured Hay Fever and Summer Cold. A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. J. Nusbaum, Batesville, Ind.
