M'GINN'S TALK A LOGICAL ONE

**MANY BRYAN LABORING
MEN LIKE HIS LOGIC.**
Republicans of Union County Profit by Stirring Political Discourse by Judge McGinn Last Night—His Theories Practical and Reflections of What Taft Stands For—Showed How Taft is Not an Enemy of Labor, But Its Friend.

The republican campaign closed last evening with a large assemblage in the Steward opera house, to listen to the talented orator, Judge Henry E. McGinn. He had been announced as one of the most pleasing and convincing speakers and the hundreds present were more than delighted. He spoke for over two hours and few, indeed, were those who did not remain until the last.

Visited Railroad Shops.
During the afternoon he visited the railroad shops and personally met many of the men, a few of whom he was personally acquainted with, Judge McGinn is known throughout the state at the laboring man's attorney, and the greater portion of his address was devoted to dispelling the doctrine so liberally dispensed by the democratic literature and speakers that Taft was an enemy to labor and labor unions.

Firm Believer in Taft.
Judge Taft covered this ground so thoroughly and cited so many of Taft's decisions while on the bench that there was no room for anyone to know where he stood, and it was along these lines that he made his greatest impression.

CIRCUIT COURT JURY DISMISSED

**TO BE REASSEMBLED
DECEMBER 7 NEXT.**

Greeks Found Guilty of Unlawful Assembly—Now in Jail—Given Until Monday to File Notice of Appeal—Evans and Ross Charged With Larceny, Set Free—Judge Knowles to Go to Wallowa Next Week—Has Been a Long Term.

There will be a recess in jury cases in the circuit court until December 7 next. Judge Knowles dismissed the jury today until that date. Next week he goes to Wallowa county to hold a term of court.

The Greeks were found guilty of unlawful assembly and are now in the county jail, having been given until next Monday to file their notice of appeal.

In the case of the State vs. Evans and Ross, jointly indicted for the larceny of \$40 in Elgin, Judge Knowles directed the jury to bring in a verdict of not guilty as to Evans, and the district attorney moved to dismiss the action against Ross.

This has been an unusually long session of court, owing to the fact that at the last term only four jury trials took place and many cases were continued for the present term.

By adjourning until December 7 will give the jurors a chance to straighten out their fall work.

Farmers Take to Bryan.
Muncie, Ind., Oct. 31.—When Bryan stopped here today on his tour of Indiana, he was presented with a pledge signed by 604 farmers, saying the have always been republicans, but will vote for him this time.

FINAL INNINGS IN NEW YORK

**TAFT PARADE TONIGHT TO
BE GIGANTIC AFFAIR.**

Walter Wellman Writes Keynote of Gigantic Demonstration in New York Tonight Will Be: "Bryan's Election Means Hard Times"—80 Thousand Will March—Bryan Has His Inning in Great City Tomorrow—Last Big Demonstration.

New York, Oct. 31.—The two great demonstrations in New York city today and tomorrow, which will close the campaign in New York, is typical of the real nature of the presidential struggle," says Walter Wellman, in the Record-Herald today. He continues:
"The business men of New York will tonight form a marching line for Taft, that is predicted will equal in length Manhattan island. It is expected that 80,000 will march, and that it will occupy five hours' time in passing a given point.

Keynote of Demonstration.
"The keynote of the demonstration will be the cry, 'Bryan's election means hard times, and Taft's success will insure the country's prosperity.'"

Labor's Inning Tomorrow.
"Labor will have its inning tomorrow when a monster meeting is to be held at the Grand Central Palace, President Samuel Gompers, of the American Federation of Labor, and other noted labor leaders will speak.

Federation Takes Precaution.
The writer goes on to say that the laboring men are disagreeing on the support of the federation's political program. Precaution is being taken to pledge the speakers by a signature to name them vice-president of the meeting, in order to prevent republicans from speakers to repudiate the meeting.

PIONEERS MEET.

"Spirit" Led Many Old-Timers to Congregate on City's Streets.

Several of the early pioneers of this city and county met on the street today by chance, and talked for an hour or more over present and past times. Among those who formed the group were J. W. Dickey, now of Baker City; W. J. Snodgrass, Joseph Anson, W. R. Campbell and Isaac Shafer. Some one should have taken a straw vote. Most of our readers could easily tell the result.

MOSCOW LEADS.

Moscow, Oct. 31.—The score at the end of the first half of a game never equalled in intensity and enthusiasm on the Moscow grounds, was 6 to 4 in Idaho's favor. Idaho scored a touchdown, and kicked goal, while Clarke of Oregon, secured a drop kick counting 4.

BLOODHOUNDS TRAIL THIEVES.

Sacramento, Cal., Oct. 31.—Bloodhounds have been brought from Folsom prison and started today from the North Star mine in Nevada county, to trail the robbers who stole several thousand dollars' worth of precipitates from the cyanide tanks of the mine recently.

Enterprise, Oct. 31.—(Special.)—The two weekly papers of this town were consolidated today, the final details having been completed. Ben Weathers, formerly editor of the Chieftain, has accepted a position as postmaster, and H. A. Calloway and Heaton, were editors of the News-Record. The new concern will likely be known as the News-Record, with the former owners of the paper of that name as editors.

His shotgun was discharged while it was being taken from the boat, a full charge of buckshot entering his left breast.

VON BUELOW RESIGNS.

Foremost Man in German Parliament Tenders Resignation.

Berlin, Oct. 31.—Following trouble with the German parliament over the proposed new taxation scheme, Chancellor von Buelow resigned today.

It is understood Emperor Wilhelm caused the retirement of von Buelow because of dissatisfaction at Germany's international position. The recent tense situation in Europe following threats of war in the near east is said to have been a factor in the retirement. Von Buelow was the foremost diplomat and parliamentarian of the German reichstag.

After the resignation was accepted by the emperor von Buelow reconsidered his action, and will remain in office at the request of the kaiser. The resignation followed a dramatic scene in which the count was bitterly reproached by the kaiser for interfering in foreign affairs.

The hot interview between the kaiser and the count followed the publication of a London telegraph interview by the kaiser, in which he took credit for formulating plans by which England had defeated the Boers. The German papers demand today that the kaiser cease talking. They made severe comments on the interview. The kaiser told the count, that, as he was a divinely inspired monarch, he would always do what he thought he had a right to do.

PARADE FOR BRYAN.

Spokane, Oct. 31.—Ralph Dodd, a former northwestern baseball league umpire, and a well known sporting man, was held up last night and robbed of two diamonds worth \$1500. The robbers followed him from downtown where he had bet \$3000 on Bryan.

BOTH PARTIES UNDECIDED.

Des Moines, Iowa, Oct. 31.—Both state chairmen refuse to predict the pluralities, for the first time in many years.

ENDORSEMENT WAS TRICKERY

**ROCKEFELLER'S CLEVER
RUSE TO DEFEAT TAFT.**

Statement From Standard Oil That It Favored Taft Was a Political Trick to Gain Bryan Votes, Says Taft—Will Receive Election Returns at Cincinnati—Bryan Issues Appeal to Public Asking for Support—Discusses Principles.

"Trickery" Says President.
Washington, Oct. 31.—President Roosevelt today authorized the following: "The president has received numerous letters and telegrams showing Rockefeller's trick was dubious made by agreement with the democrats, but will fall abso-lutely. It is self-evident, as Taft says, that if Rockefeller really wanted him elected, he would keep quiet."

Elmira, N. Y., Oct. 31.—Before an enthusiastic crowd here today, Judge Taft opened his last day's tour in the state. He appealed for the re-election of Governor Hughes.

Political Trickery.
He referred to the announcement by John D. Rockefeller yesterday that the latter favored the republicans, as the surest sign the Standard Oil heads were against the republicans. He called the announcement an anti-election trick to brow beat Bryan. After the speech he went to Waverly. His itinerary includes Oswego, Binghamton, Cortland, Ithaca and Rochester.

Get Returns at Cincinnati.
Mrs. Taft will join the party tomorrow at Buffalo and from there will go with her husband to Cleveland and Youngstown, O., where the judge speaks Monday. Tuesday they arrive at Cincinnati, where they will await the result of the election.

Bryan Makes Appeal.
Winchester, Ind., Oct. 31.—Bryan is here this afternoon on a tour of the northern part of Indiana. Today he issued a statement headed, "Appeal to the Public." The appeal says:

"The democratic party attempts to inaugurate an era of honesty in politics by compelling the publication of campaign contributions. It seeks to bring the government nearer the people by the direct election of senators."

The appeal enters into a lengthy discussion of democratic principles. Richmond, Ind., Oct. 31.—Bryan created a sensation here today when he flayed Carnegie, Taft, Rockefeller, Roosevelt and Root in a speech before an immense crowd. He said:

"Carnegie is supporting Taft. He says my election will be a tragedy. He is familiar with tragedies. Root says Taft is temperamentally better able to
