

How to Get Strong.
 P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

ELGIN PLAYS FAST GAME BUGG HURT IN TUMBLE

ADDITIONAL COACHES FOR LOCALS THIS WEEK

Dire Need of Hard Drills During Rehearsing Few Days before Pendleton Game—Elgin Shows Added Strength and Seares La Grande Players—Hard Work This Week—Other Games Saturday.

As announced in The Observer last Saturday evening, La Grande bested Elgin's recouped aggregation on the Elgin gridiron by the score of 10 to 8. The game served principally to impress the local players that they have yet much to learn about football, and also demonstrates that Elgin must be considered one of the strongest teams in the county. When the real facts became known Saturday it was learned that La Grande was forced to abandon trick plays and forward passes for straight football to avoid defeat. The clever boot of an Elgin player sent two balls over the goal posts, counting eight points for Elgin.

Hard Practice This Week.

In preparation for the greatest game of the season next Saturday afternoon when Pendleton comes here, two additional coaches will be enlisted. Willie Cosch Wall is working with the back field, Ralph Reynolds, an O. A. C. quarterback and end, will drill the local ends and tackles. Ben Grout, a likely candidate for the 'variety squad at U. of O. last year, will have control of the line from tackle to tackle. This will mean that Wall will be able to whip his team into shape. Extra work becomes necessary on account of the absence of Charles Reynolds. He is out of the game for keeps this year, though he is planning on practicing this week. His vacancy at quarter is hard to fill, and it will require the hardest kind of work this week in several departments, to properly cope with Pendleton next Saturday.

Pendleton Defeats Weston.

Pendleton, Nov. 1.—Pendleton is now on the road to the championship with every reason for claiming a leading place in that race. By straight, clean and consistent football she downed Weston yesterday afternoon, proving the first serious check which the teacher lads have met with this season. At the end of the last half the score stood 10 to 6 with the admission on the part of everyone that the victory was complete and decisive. The game was played almost wholly on Weston's territory, and with the exception of the time of the successful forward pass in the first part of the game which gave Weston a clean field for a 90-yard run to a touchdown, Pendleton's goal was never threatened.

A RECORD ATTENDANCE

University of Eugene, Eugene, Nov. 2.—(Special.)—Every county in the state, with the exception of a half dozen in eastern and southeastern Oregon in which there are no complete high schools, and every four-year high school and academy in the state is represented in the student body at the University of Oregon. The registration has now reached 521, which is the greatest in the history of the university, and will be increased to 600 by the registration at the opening of the second semester. Many students enter at this time, completing their work at the mid-year four years hence. The registration of 521 includes only the departments of liberal arts and engineering, and not the departments of medicine and law. If these were included, the total would be about 750. Fifty-three students are registered from states outside of Oregon, an indication of the large number of people from other states that are settling in the state. Multnomah county leads in the number of students, followed in order by Lane, Marion, Baker, Clackamas, Jackson, Douglas and Umatilla.

LEFT ANKLE FRACTURED IN TWENTY-FOOT FALL

Scaffolding and Step Ladder Break, Precipitating Two Painters a Distance of Twenty Feet—Bugg Sustains Broken Ankle, Severe Sprains and Deep Gash Above Right Eye—Stranger Working With Him Badly Jolted and Bruised.

James A. Bugg, proprietor of the Bugg paint shop, lies at his home on Madison avenue today seriously injured, and a Swede tourist painter is confined to his room with severe bruises, as the result of a fall taken by the two men yesterday afternoon while working on the interior finishing of the building about to be occupied by the C. C. Pennington gent's furnishing company. Bugg and the Swede were working on a crude scaffolding on top of which was placed a step ladder. Their efforts were aimed at reaching the highest point in the skylight of the building, and both men fell approximately 20 feet. The step ladder broke first, throwing Mr. Bugg to the scaffolding with such force that the latter structure collapsed, throwing both men to the floor with terrific force. The fall alone was severe, but added to that were the injuries which Mr. Bugg received by the falling scaffolding. When picked up his left leg was under a heavy plank and another timber had struck him above the right eye, inflicting a deep gash as well as bruising the skull severely. He is suffering much pain from this bruise alone.

Left Ankle Fractured.

His left ankle is fractured in a serious manner. Ligaments are thought to have been torn loose, as well. A painful sprain was sustained in the ankle of the right foot. The companion sustained no broken bones, but is badly bruised up, being unable to leave his room today.

Taken to His Home.

Friends carried Mr. Bugg to his home on Adams avenue, where only recently death took away a young daughter. His suffering during the night was excruciating, but today he has been in less pain.

Dr. Biggers is in attendance and reports the injuries such as will require considerable time to heal and mend, but with no danger of complications that might prove fatal.

Other Painters to Aid.

Other painters of the city will hold a meeting in the Bug paint shop on Adams avenue tonight at 7:30. At that time steps will be taken to give the injured painter substantial aid. The stranger brush artist needs attention, too, and the other members of the profession in the city propose to attend to the wants of the unfortunate man.

Cured Hay Fever and Summer Cold.
 A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.
