d, hence the report of my death From the wharf I tried to get the el by 'phone and failed, and as I to rush lowent on. We came by nat to Las Angeles and went from here by rail to Mexico. I was having nice time and thought everything vas all right and had no means of San Francisco, where I found my well and newspapers containing the report. "It is true that I have been troubled over financial matters since the panic mocked me out fair and square, but while there's life there's hope and ou know that I can pull out with half chance. You also know that I ver I die I want to die in dear old Muskogee, the best town on earth.

"By the way, the trip was profitable, as I have getten hold of a piece of property near the stake of my friend, that promises to be a gold 4 producer. I am finishing my nego- - the Le Grande National bank is + liations with officials of the Mexican government for full purchase of same * deposit slips in the suspended * ind am starting back Wednesday of * Farmers & Traders bank. It * this week. When I get things arrang- thus been reported about the ted in Mexico I will start back for the streets that that institution is the home a very live corpse. Will be back . taking over deposit slips, paying . n Muskogee within 39 days.
