member 8. The Harry Scott company, the producers of this comedy, had two companies of it on the road last season, playing the cities and the principal one night stands in the United States and Canada. The press notices were exceedingly good in Chicago, New York and Boston, and the management promises a still better show this season, with added new features.

**Rehearsals Daily.**  
The Stage Hands are rehearsing every evening, with great success. It will be a show long remembered. One of the acts will be Gen McKeever of Salt Lake City, the eater and sword dancer. Don't miss it. Remember the date, November 17.

**The Pastime's Program.**  
The Pastime theater has more comedy in its "Kids in the Country" than anything of the humorous nature seen in local playhouses for some time. The extremely funny pictures are offset by appropriate things in the title "Baby Saver the Burglar."

Ferris sings his songs with old-style popularity.

**The Scenic.**  
As usual, the Scenic was crowded to the doors last evening, and there is no doubt that this little house has more than done its share to help cheer the weary and make all who attend happy and think that there is something more in life than sorrow. Walters and Murray's band of fun, was certainly a screen. They will be seen in another evening this evening, entitled "A Quiet Night's Rest," which is arranged for laughs and nothing more. They do not fail to come out and have a grin. Miss Brandon will be seen in a new talking, singing and dancing specialty this evening. She also has a good surprise for you. The pictures are full of good laughs, and are beautiful. A Lady Doctor's Husband, Reward of Valor, A Young Artist, Revengeful Walter, and How the Masher Was Mashed. After reading over this bunch of good things and you don't come out, you certainly have a **stupid** reason.
