The tremendous stock we carry has for several years borne the proud reputation of being the most complete in every department of any in Eastern Oregon. We are doing something in this Sale out of the ordinary. We have got together thousands of dollars worth of Manufacturer's Samples and Mill Ends or "Close Outs" at prices below factory cost that we are going to sell for less money than goods regularly cost us. Besides these sample lines we place on sale a complete stock of Shoes that we bought for less than it cost to make them; as well as taking such goods from our regular stock that we want to get into money and sell at prices that will astonish the closest buyer. Warm underwear, hosiery shoes Clothing, Piece Goods. Blankets, Bedding etc. Look the prices over carefully; come in and see if they are correct, and if the article is not worth from 1-3 to 1-2 more than the marked price.
