

# PUT YOUR MONEY IN LAND! IT IS MUCH SAFER

Alberta wheat lands in the Chinook belt of the Bow River valley at \$10, \$12 and \$15 per acre on eight year's time at six per cent. One sod crop will pay for the land. The Canadian Pacific railway has just placed a 3,000,000 acre tract on the market. The company will break your sod, seed your crop and fence your land.

## Pay a few hundred dollars down and secure a section of wheat land

The company will do all the work for you and one crop of wheat is actually paying for the land. The last chance on the American continent to secure good land, cheap. Conductors J. B. Smith, J. L. McGraw and Gordon Menzies of the O. R. & N. have bought land in this tract. About 20 other Umatilla county people have purchased and a number of them will move to Alberta and farm their lands in preference to paying high rents in Oregon. Thousands of Americans are going into the Bow river valley. Railroads are being constructed and new towns are being founded. Round trip from La Grande costs but \$55 including railroad and hotel expenses. Next party will leave Pendleton for Calgary about November 20. Cheap rates for intending purchasers. Go and see Alberta anyway. You can soon pay for a half section or a section and be independent.

How to Get strong.  
J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening

medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

### PENDLETON TEAM RETURNS.

Played a 0 to 0 Game at Baker, But Holds Eastern Championship.

Joyous that they were not defeated, and claiming the championship of eastern Oregon, the Pendleton football team passed through La Grande this morning en route home after having played a 0 to 0 game at Baker City yesterday. La Grande enthusiasts who saw the game, affirm that Pendleton outplayed Baker City, but displayed poor judgment and had "Friday, the 13th" luck in its attempt at goals from placement. Five times Pendleton gave the ball to Captain Baker, the usually clever foot artist, but as many times he missed the goal. Baker City tried a placement once. Following the game last night an arbitration meeting was held to decide a point in rules that came up during the game, which if not decided as it was, would have given Pendleton the game, 2 to 0. But the incident was declared a touchback rather than a safety. It was also decided that by virtue of having defeated La Grande by a decisive score, a team in turn had in reality defeated Baker City, and also that Pendleton held the championship last year and has not had the honor wrested from it this season by a decisive defeat, that Pendleton theoretically holds the eastern Oregon championship.

### BUILDING NEW BRIDGE.

O. R. & N. Building False Work for Steel Structure.

After several days of work construction of false work on the O. R. & N. railroad bridge over the Grande Ronde just above Oro Dell, has been about completed. The piling for the false work were all driven yesterday. The timber crew is now erecting a structure over which trains can pass until the cement abutments have been constructed. When such becomes the case, the heavy steel girders will be placed, and the main line approaches raised 20 inches. The bridge is to be 20 inches higher than the one now there, necessitating a raising of the main line on each side of it for a distance of a half mile or more, that the 20-inch raise may be overcome gradually.

The steel is already here and the steel gang will go to work in a few days. A work train has been hauling timber and material of various descriptions to the place of late, but has completed that phase of the work. A steam shovel, a large crew of men and a work train will be required in raising the track when the company is ready for it. It is hoped to have the structure ready in three months.

### PASS AT MINAM.

One Train Dines at Elgin and the Other at Wallowa Town.

Minam is the passing point of the two Wallowa county trains, according to schedule. The first regular train to Enterprise left La Grande this morning in charge of Conductor Grady. His train stopped at Wallowa town for dinner, while Conductor Gulling's passengers took dinner at Elgin. This will be the schedule order as long as the trains run as they do now. The train from Enterprise arrived in La Grande this afternoon, heavily loaded with Wallowa citizens anxious to ride on the first train out of their town.

### BROTHERHOOD MEETS.

Methodist Organization Changes its Name at First Meeting. What was formerly the Brotherhood of St. Paul, a men's organization in the M. E. church, met for the first

time this year last evening and re-christened itself. The name now is Methodist Brotherhood, a parallel of the Presbyterian brotherhood. Plans for the ensuing year were formulated and a very enjoyable series of meetings are being planned for the winter months.

Mrs. M. M. Davison of No. 479 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. Cured Hay Fever and Summer Cold. A. J. Nussbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Finally I insisted upon having Foley's Honey and Tar and it quickly

cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.
