READY FOR BIG BAZAAR

The ladies of the Methodist Episcopal church will hold their bazaar Saturday of this week in the depot building on Depot street, opening at 10 o'clock in the forenoon, continuing throughout the day and evening. A great variety of useful and fancy articles will be offered for sale, including cooked food, home-made mince meat, jellies and candies.
Those having articles for the bazaar to be held Saturday in the Lewis building by the ladies of the Methodist church, will please deliver them to Mrs. Geo. H. Currey, corner Fourth and Main, as early as possible on or before Friday.

GIRLS BRING COIN BAGS

Nice response is meeting the "mile of pennies" plan to fatten the Riverside park fund. The day following the all for bags in which to put the pennies brought forth 69, four girls having responded. During the rest of the week the total number of bags is expected to reach 1000, the original number stipulated. Those who last evening had responded were Misses Eva Ruby, Frederica Schilke, Lela Jordan and Maxine Thomas.

WANT MANY DELEGATES

The Commercial club is called upon to appoint delegates at frequent intervals, but the most novel request to make its appearance thus far, is for the appointment of some young lady who will be an Evening Telegram candidate for a trip to the Alaska-Yukon-Pacific exposition at Seattle.

Baker City is the meeting place of the Oregon Irrigation association on December 15, and to this the mayor of La Grande and president of the Commercial club will appoint delegates in the near future.

There is going to be a monumental exposition at London within a year, and to that meeting La Grande is asked to send a display of fruits and industries. Large floor space has been set aside for coast states.

These appointments will be made at the next meeting of the club.

NEW LODGE HOUR SET

The Women of Woodcraft will meet in the afternoon hereafter instead of the evening. Arrangements have been made to hold the meetings in the afternoon at the Odd Fellows' hall and the first one under this arrangement is set for next Friday. The officers of the lodge hope to have a larger attendance by holding the lodge meetings on the last Friday in the afternoon of each month, than as heretofore the rule.

GET OFFER FOR NEEDED CANNERY

WANTS TO BUILD CANNERY BEFORE BEING SUBSIDIZED.
Most Tangible Proposition for a Cannery in La Grande Received From Vancouver Capitalist—Build and Equip Factory Ranging From \$7000 to \$11,500—Club Will Follow Opportunity.

A man who talks business, who gives indications of meaning and who will do what he says, has responded to the call issued by the La Grande Commercial club—that ever active body—for the construction of a fruit cannery in this city. The man who gives indication of having something tangible lives at Vancouver and is John Walsh, a man who owns and operates several canneries.

Will Build First.
In the preliminary proposition made to the Commercial club, the writer affirms that his company builds canneries ranging in price from \$7000 to \$11,500, and that they will build the factory and equip it ready for business before asking for a cent of subsidy. Of all the propositions made to the club for canneries, this is the most tangible one. This can be no "skin game;" no chance to get subsidies and then not fulfill the contract.

The club will follow up this splendid offer with a vim, as it unquestionably is the best proposition of its kind yet made to the city.

These several offers from capitalists to build smokestacks here is the result of consistent advertising being done by the club. This and the other offers received is the direct outcome of what the present organization has done in the way of advertising.
