 - A cordial invitation to all.

For a Warm Bath Room

A bath in a cold room is a "shivery" operation and is extremely liable to cause colds. The bathroom above all should be kept warm. This is easy and the bath is a comfort if you have a

PERFECTION Oil Heater

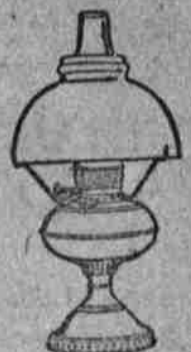

(Equipped with Smokeless Device)

It may be carried from any other room to the bath room, which it will heat while you are preparing for the bath. Impossible to turn it too high or too low. The most economical heater you can buy—intense heat for 9 hours with one filling.

The **Rayo Lamp** is the best lamp for all-round household purposes. Gives a clear, steady light. Made of brass throughout and nickel plated. Equipped with the latest improved central draft burner. Handsome—simple—satisfactory. Every lamp guaranteed.

If you cannot get heater or lamp at your dealer's, write our nearest agency for descriptive circular.
