# ALL YOURS

We have several Advertising Ideas which we believe are good and will bring you results; if you care for them they are yours for the asking. Remember, good printing costs money and should be classed as an investment; poor printing is always an expense. Apply the trial order test and see in which class our work belongs. **THE COOK WILL BE GLAD** to see some of our high grade coal carried into your cellar. Didn't know there were grades in coal? Why there are almost as many as there are of eggs or butter. Let us send you the kind that will prove by the perfection of the kitchen fire that our coal is different than the ordinary and decidedly better.

**Sam Jones Memorial.**  
Oklahoma City, Okla., Nov. 28.—"Sam Jones Memorial Day" will be observed tomorrow by all the churches and young people's societies of the Methodist Episcopal church, South. Each of the 9000 Epworth Leagues embraced in that great body will do its part in raising the funds needed for the Sam Jones monument which is destined to stand before the new St. Luke's church in Oklahoma City. It will be erected as a fitting tribute from the young people of the Methodist Episcopal church, South, to Sam P. Jones, the famous revivalist, to whose credit it is said that he had preached to more people than any other minister and that he was the greatest satirist the pulpit ever had.

**WANTED**—Two young men to room and board. Front room, modernly furnished; one block from postoffice. Inquire at this office.

## BUY CANVAS FIRE ESCAPES

In case of fire in either the Central or North Side school buildings, children have only to slide out of danger, when a purchase made by the school board at the meeting last night, is installed and ready for work. A careful test was given the fire escapes last Wednesday evening, and the board feels safe in making the purchase. The escapes are made of canvas, and so arranged that when fire breaks out occupants of the building slide down the gradual incline to the ground from the second floor with perfect composure and without possibility of injury. The equipment was badly needed, although it is hoped it will never have to be brought into service.
