OTHERS EYE OUR WOMEN

The Pendleton East Oregonian prints the following special in its issue of December 1:

La Grande is going to have a nature park on the river with a boating pond, a swimming pool and all the goes to make a beautiful summer resting place. The ladies of the city organized themselves into the Riverside Park association with a membership fee of \$1 for grown people. They are now canvassing the city inviting every one to join. The children under 15 are life members for the sum of 50 cents, which they are raising in a novel manner. In the house to house canvass a small bag 3x4 inches is left for every child under 15. Into these the child puts all the small change he can get and as each child will try to save at least 50 cents it is expected that a "mile of pennies" will soon be raised by the children alone. Figure that up and see what a sum that would make. The merchants, too, are helping, and after the first of the year will hold big clearance sales, giving the park a liberal percentage of the money taken in during the sales.

Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. E. Summers, Box W, Notre Dame, Ind. will send free to any mother her successful instructions. Send no money but write her today if your child is in trouble in this way. Don't blame the child, the chances are it can help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
