# LADD CANYON NEWS ITEMS

Ladd Canyon, Dec. 2.—(Special.)—Arthur Mulholland, who has been taking care of the Wilcox Lumber Co. sawmill in Ladd Canyon, left Monday for Seattle to visit his brother, John Mulholland, who is in a hospital at that city.

John Larm, who underwent an operation for appendicitis at Hot Lake some time ago, is still unable to return home.

Charles Turnbow of Joseph, has been visiting relatives in Ladd Canyon this week.

Mr. and Mrs. Claude Braden have moved up near Perry, where they will make their future home.

Mrs. Joseph Linebarger is in La Grande on business this week.

Mrs. Lucy Graham and children, Verdle and Edward, spent an enjoyable Thanksgiving with Mrs. Graham's daughter, Mrs. W. O. Sherwood.

Mr. John Graham is on the sick list this week.

### Miss Slattery Sells College.

Prof. E. O. Draper of the Moscow Business college, Moscow, Idaho, completed a deal yesterday by which he purchased the Pendleton Business college of this city from M. M. Slattery, now of Spokane, Wash., but formerly of La Grande. Prof. Draper will take charge immediately. The fact that Mr. Draper will make his home in Pendleton and be with the school continually to look after its interests, will be an excellent thing for this institution as the former owner has been unable to remain with the school any length of time.

Prof. Draper comes to us highly recommended by the leading banks and prominent business houses of Moscow, Idaho. He is a highly educated young man of sterling character, and will be heartily welcomed by the citizens of Pendleton.—Pendleton Tribune.

### Pushing Work on Library.

By the time Andrew Carnegie gets through advising the tariff commission regarding free steel, he can come west on a pleasure trip and see a handsome library building erected in this city with Carnegie money. The structure will soon be enclosed, and recent cold weather has caused the contractors to work with increased energy. Already the building shows up well, and when completed it will be a magnificent monument to Mr. Carnegie's idea of bestowing his surplus money on the people.—Baker City Herald.

### Ill Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected

cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's cough remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all good dealers.
