Ill Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's cough remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all good dealers.

Dated this 30th day of November, 1908. D. BAY,
Attest: Chairman Board of Directors.
A. C. WILLIAMS,
District Clerk. 12-3-11

How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's cough remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all good dealers.

PENDLETON'S LINE-UP.

Pendleton Militia Team Will Have a Strong Line-up for Holidays.

Football enthusiasts of Pendleton are to have another chance to see a game this year, according to the plans of Co. L as formulated at a meeting last night, says the Tribune. The old stars who are residing in the city are going to organize a team and show people how the game is played. On Christmas day a game will be played with the La Grande Commercial club in La Grande, and on New Year's day a return game will be played in this city.

At the meeting last night Cliff Turner was elected captain, and Trace Baker manager of the team. The backs will be Cliff Turner, qaurter; Trace Baker, full; Strand and Louis Cargill, right and left half. Among the candidates for line positions are Devine, Bean, Elmer, Storie, Marshall, Spell, Engdahl, and E. Marsh. Dan P. Smythe will coach the team.

These names will be immediately recognized by those acquainted in this city, as those of the best of Pendleton high school material during the present and past years. Smythe is one of the best coaches in the city, and the members of Co. L are anticipating putting out an excellent team.

Editor Buys Wheat Land.

Editor B. E. Kennedy, of the Baker City Herald, has just returned from a week's visit to the Alberta wheat district in company with Jonathan Johnston of this city, and was so well pleased with the outlook of that country that he purchased a half section of wheat land as an investment. He found hundreds of Americans going into the country and vast improvements being made by settlers on the Canadian Pacific tract. The party with which Mr. Kennedy went from this city purchased about six sections of land as follows: George Warburton, one section; L. G. Frazier and Corby brothers, by Bert Huffman, one section; John Dand, through Jonathan Johnston, two sections; C. L. Godwin, half section, and William J. Bell of Cabbage Hill, half section.—Pendleton East Oregonian.
