While They Last

Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's cough remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all good dealers.

How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's cough remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all good dealers.

Change of Agents.

Agent Schuyler, who has so acceptably filled the position of agent for the O. R. & N. road at Union for several months past, has been transferred to Pendleton and is succeeded here by C. W. Dickleson. Many Union friends of Mr. and Mrs. Schuyler will regret their departure and will wish them well in their new home. The new agent, Mr. Dickleson, comes well recommended and will doubtless prove a competent and satisfactory company representative.—Union Republican.

Confer With Constituents.

Declaring for a government experimental farm for Hermiston, some practical good roads legislation, and for the establishment of an eastern Oregon insane asylum, a large gathering of the most prominent men of Umatilla and Morrow counties spent several hours in deliberation with the senators and representatives from this section in the rooms of the Commercial association last night.—Pendleton Tribune.

Quiet Horse Stealing.

Pendleton, Dec. 11.—A horse thief visited the A. C. Henderson ranch two and one-half miles south of Pilot Rock Saturday evening and drove away with a fine team of horses. The thief also took on a cargo of provisions sufficent to last him for some days. He broke into a cellar and stole a large quantity of canned fruit, also a quantity of flour and some provisions. Mr. Henderson has gone east for the winter and Lloyd Henderson was in charge of the place, but was also away at the time of the visitation of the robbers.

Mrs. Albert Gilliam drove by the place at midnight on Saturday and saw a light in the house. She presumed that Mr. Henderson had returned home.

Sunday morning it was discovered that the robbery had been committed and those first on the scene were confident that the thief had been thoroughly familiar with the place and also with the horses. He selected a fine team and made no false moves in getting the things he wanted in the house. The thief took the Starkey Prairie trail and men are now in pursuit. Sheriff Till Taylor has been furnished the details of the robbery and is now at work on the case.
