# SHARP RACE FOR PLACES

Disregarding snow and mud, 11 huskies yesterday afternoon went through a strenuous football practice in preparation for the big game here on Christmas day with Pendleton. This is only the second practice which the squad has indulged in, yet the plays were run off with a precision that would please the most exacting coach. The hurry of material to choose from is sufficient to mean two sets of strong backs, and ample supply of linemen, none of them particularly weaker than the other. The men have taken hold of the work with the proper spirit and are mastering the plays splendidly. Big Driscoll was a new face in the squad yesterday, and every one knows of his capabilities as a line plunger. Frank Hawley, the nifty halfback and end, was also in the practice yesterday. He is another player who needs only to be taught the style of play adopted, and he is ready for any game. Every man in the squad, in fact, is similarly endowed with that requisite knowledge. Heretofore, club teams have but little chances with the whirlwind aggregations sent out from Pendleton, but a new story remains to be told this time. More favorable circumstances have never attended a club team here and when the season is over it will be a mishap if La Grande has not copped at least one of the dual games with Pendleton. The next practice is set for Wednesday evening.

# DENTIST

EVER Hear of Stevenson, the Dentist and the reason it took him a year to get a certificate from the State Board of Dental Examiners?

He is still practicing in the La Dental Parlors in the Post Office Block and it will be to your interest to see him if you contemplate having any Dental Work done. By the way, he is a graduate of the Philadelphia Dental College and the Northwestern Dental College of Chicago. If we were to give any advice we would say that a man who has not studied theory as well as practice is not the best man to intrust with the care of your teeth. : : : : :
