WHO WILL WIN?

Great Question of the Day to Be Solved Next Friday Night.

"Who is going to win the second game of the Interclass series of basketball?" is the great issue of the day in basketball circles. Slightly puffed up over their first victory, the juniors are drilling diligently this week to give the seniors another drubbing like they did last Friday night.

Which ever team wins, it will be the result of hard work and the public will have a fine chance to witness a battle royal. The proceeds go to the park fund, so attendants will be helping on a public project as well.

DENTIST

EVER Hear of Stevenson, the Dentist and the reason it took him a year to get a certificate from the State Board of Dental Examiners?

He is still practicing in the La Dental Parlors in the Post Office Block and it will be to your interest to see him if you contemplate having any Dental Work done. By the way, he is a graduate of the Philadelphia Dental College and the Northwestern Dental College of Chicago. If we were to give any advice we would say that a man who has not studied theory as well as practice is not the best man to intrust with the care of your teeth.
