For That Dull Feeling After Eating. I have used Chamberlain's stomach and liver tablets for some time, and am testify that they have done more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—David Freeman, Kempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills, but cost more. Get a few samples at all good drug stores and see what a splendid medicine it is.
