THE COOK WILL BE GLAD
to see some of our high grade
coal carried into your cellar.
Didn't know there were grades
in coal? Why there are almost
as many as there are of eggs or
butter. Let us send you the
kind that will prove by the per-
fection of the kitchen fire that
our coal is different than the
ordinary and decidedly better.

Oregon Boys Make Big Hit.
As expected, the University of Ore-
gon Glee and Mandolin clubs made
good last night at the Grand, and af-
forded a very pleasant evening's en-
tertainment, says the Salem States-
man. The boys sang better, had bet-
ter songs, and better arrangement of
program than last year. Every num-
ber was an unqualified hit. The
voices blended in a harmonious man-
ner. The mandolins were well han-
dled, and the stunt men captured the
audience.

"Ivory Ticklers," by Messrs. Ogden
and Geisler, made a hit. Mr. Victor
Voight took the house with his clever
dialect stories, both French and Ital-
ian. The "Jolly Jail-birds" were de-
cidedly original and refreshing, es-
pecially in their ballet dance. The
"Jail-birds" were Messrs. Cooper, Nel-
son, Wood and Burke.

"Is he in?" a dramatic sketch in
one act, was very cleverly done by
Messrs. Voight and Burke. They
introduced an original song, "The Hot
Tamale Man," which was well receiv-
ed. The evening closed with an excel-
lent song, "Days at Oregon." This
was encored and responded to with an-
other Oregon song, followed by the
'varsity yell.

Full House at the Scenic.

The Scenic theater had the best
house of the week last evening, for the
reason that it had a good show and
many would not miss the opportunity
of seeing it before the complete change
tonight. This evening Lou Dunbar
will be seen as a German comedian in
new things. Atkinson brothers will
also have something new to finish the
week with and this change takes place
tonight. The trio are giving the pub-
lic a clean attraction in vaudeville. In
"The Mohammedan at Home" there
is a series of interesting and instructive
views. The film pictures the home
life of that intensely religious set of

people, the Mohammedans. The other
films are all new and The Observer
leaves it to the patrons if the program
is not up to a high standard.

A PAINFUL ACCIDENT.

**Fruitdale Woman Sustains Frightfully
Painful Injuries to Two Fingers.**

In some way that physicians or the
party herself can scarcely account for,
Mrs. Isaac Bonsel of Fruitdale, met
with an accident which is causing her
excruciating pain. Early this morn-
ing, while working about her kitchen
she entangled her foot in the linoleum
and fell heavily. At the time, she was
carrying a huge stone crock filled
with cream, and in the fall, instinctively
clung to it. In a manner hard to
describe, in fact is not definitely
known to herself even, the index and
second fingers of the right hand were
severed at the first joints. The flesh
was torn off and the bones literally
severed. The joints in both instances
were left exposed. The pain was
frightful, but as soon as Drs. A. L.
Richardson and G. L. Biggers had
been called in the pains were alleviated
and the wounds dressed. This
afternoon he is resting quite easily.
It will require some time for the
wounds to heal. Mrs. Bonsel is a sister
of Conductor Frank Coykendall of
Pendleton.

Bought Fine Horse.

T. J. Snider and Dune Woodell have
just purchased a fine 1700-pound 2-
year-old Percheron colt of A. C. Ruby
of Portland. The animal is here, and
is a beauty. Large horse is what
bring the money one year with an-
other.

Birth Record.

Born, to Mr. and Mrs. Guy S. Brad-
shaw, near Summerville, December 16,
a daughter.
