START GAME AT NOON

To take advantage of the warmest period of the day, the football game between La Grande's city team and the Pendleton militia team will be called at 15 minutes after 12 o'clock Friday. In view of the fact that the halves will be short, and the game called so early, it will give every one time to attend the game and return to their homes for Christmas dinner. The arrangement is one that will be greeted with pleasure, for it is out of the question to call the game after a Christmas dinner hour—which customarily is 2 o'clock—and expect a large attendance in the present cold wave. The noon hour is by far the most favorable one.

Stores as a rule, will be closed all day Christmas, but a few business houses will be open until 12 o'clock. With a leeway of 15 minutes, clerks and proprietors can reach the field in time to witness all the game by this arrangement. At noon it is seldom too cold to attend an exciting game of football during the noon hour, even when the mercury touches zero during the night time.

Tomorrow afternoon at 1:30 the entire squad will go through its last hard practice and every candidate for the team is requested to be in attendance at that time.

CURRENT TOPIC CLUB.

The President's Message the Subject Under Discussion.

The regular meeting of the Current Topic club was held last evening at the home of Mr. and Mrs. Robert Smith. The subject for discussion was the president's message. The message was taken up by sections and after the member to whom the particular section had been assigned had delivered his remarks, setting forth his views upon the section, the matter was then open to general discussion.

After the message had been properly dealt with and the message as a whole had been pronounced about all right, the recreation features of the club were taken up and given equally close attention. One of the features of the entertainment was progressive peanut spearing. Each member was provided with a nice limber hatpin and a glass dish containing a number of peanuts. The member was to grasp the pin firmly by the head with the first and second finger and then proceed to jab away at the peanuts. The one spearing the greatest number of nuts was awarded a certificate of superiority. After the peanuts had all been captured dainty refreshments were served. The evening was a most delightful one from a social standpoint, also a most instructive one.

The Scene.

The pictures tonight at the Scene are all good ones, the comic numbers are kind which just naturally make you laugh or love. You can't sit and remain out of humor. The vaudeville acts are all catchy. The song and dance artists are above the average and their acts this evening will be entirely new. Last night's attendance was so great at the first show many were compelled to stand throughout the entire performance. Come early

and avoid the rush.

Manager Gardiner has secured some special attractions for Christmas week. This morning he received a telegram from his booking agent, stating that he had been able to secure Fletcher and Lapire, the great sketch team, and Zetta Lovell, one of the best high class soubrettes on the vaudeville stage. Monday all three of these people will be seen at the Scene. Take a look at 'em and see if they don't look good to you.

DENTIST

EVER Hear of Stevenson, the Dentist and the reason it took him a year to get a certificate from the State Board of Dental Examiners?

He is still practicing in the La Dental Parlors in the Post Office Block and it will be to your interest to see him if you contemplate having any Dental Work done. By the way, he is a graduate of the Philadelphia Dental College and the Northwestern Dental College of Chicago. If we were to give any advice we would say that a man who has not studied theory as well as practice is not the best man to intrust with the care of your teeth. : : : : :
