

Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health.

How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's cough remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I meet willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind. will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties, by day or night.

FIRST CARLOAD OF POULTRY.

Local Firm Receives Big Lot From Wallowa County.

What in all probability is the first evidence of bearing out the statement made in these columns that the opening of the branch line to Joseph will make La Grande the distributing point for a large section of country, was the arrival in this city Saturday of a carload of turkeys and geese for the Grande Ronde Meat company. This lot of poultry will be divided here, and that which is not sold for local consumption, will be shipped in lots to the larger cities of the northwest at once. La Grande already has gone after the business of Wallowa county with a vim and will eventually handle practically all the products of this rich county.

HARD PRACTICE YESTERDAY.

Coach Wall Has Sixteen Gladiators to Pick Team From.

As the date for the Pendleton-La Grande football game approaches, much interest centers in the sharp races for positions on the local team. Some of the players have a mortgage on their places already, but there are few. The back field is subject to a slight change, while end and guard positions will not be decided until the day of the game. Yesterday the squad of 16 went through strenuous practice, though the signal drill was ragged and all need finishing touches in this respect. The back field will be chosen from Captain Ralph Reynolds, quarter; Gillilan, Mickelson, Childers, Bacon and Hawley for halves and full. The end positions lie between Hawley, Alstott, the spiral artists, and French and Fred Grout. At the tackle positions the race has narrowed down to two players, as Arlio Bay sustained a slight injury in lifting a trunk last week, and to all appearances will be out of the game. This leaves Ben Grout and "Big Bill" Driscoll as the only men who have mastered the signals sufficiently and are ready for the game. Grandy, Caylor, Goodall and Jasper are the men who will take care of guard positions. At center Ellrod was out yesterday for the first time, and may hold down the center rush. He is strong and agile, and notwithstanding his short practice should make a clever center. Bean, the high school center, will be held for emergency uses. With this amount of material on hand, the rest of the week will be devoted to trimming off the feathers and getting a few plays thoroughly mastered.
