Newest Thing in Advertising is Being Planned—Other Articles.

Portland, Dec. 21.—(Special correspondence.)—Fifty school children from Chicago are to be brought to the Alaska-Yukon-Pacific exposition next year if the plan suggested by Secretary Tom Richardson, of the Oregon Development league, is carried out. They will also visit Portland and other cities in the state and when they return home will write letters telling of the trip and what they saw in the northwest. Exhibits of the woods of this section, with industrial and scenic pictures, have been used in the Chicago schools, made up into sets and circulated from one school to another in the teaching of geography.

C. A. Kinne, secretary of the El Paso, Texas, chamber of commerce, is spending considerable time in Oregon communities studying the publicity methods of the various commercial bodies. Mr. Kinne's organization is building a \$50,000 building of its own, and is determined that the work it undertakes shall be effective.

The Northwest Electric Light & Power association, embracing Oregon, Washington, Idaho and Montana, held a two days' session in the convention hall of the Portland Commercial club last week. Every state had numerous delegates and the meeting was one of the best they have ever held. The northwest has attracted the brightest men from the technical schools of the country.

Poultry raisers are taking much interest in the coming show of the Lane County Poultry association at Eugene December 21 to 24. Handsomely engraved silver trophies will be given as prizes. The poultry product of Oregon is valued at five million dollars annually.

Dr. Stephen S. Wise, rabbi of the Free Synagogue of New York city, retains an ardent affection for the Pacific northwest, his residence for several years. In commenting on the prize apples recently sent to European rulers and exhibited in New York, he writes: "Why is this fruit sent to such indifferent Oregonians as Edward, Wilhelm, Nicholas and Mr. Fallieres? If you really want Oregon apples to count, don't waste them on European monarchs, but get them into the systems of Oregonians who love and treasure everything Oregonian from little Mt. Hood to big Hood River apples. But the apples wouldn't be kept long on exhibition in our homes here—they would vanish as the mist hovering over the summit of Mt. Hood before the morning sun."
