### CLUB IS EFFICIENT.

The University of Oregon Glee and The Eastern Oregon Trust & Savings Mandoline clubs made a hit with a near-full house last evening at the Steward. There were few dull moments during the program and many spirited ones. Especially at one time did interest wax heated, for a delegation of O. A. C. grads had congregated to listen attentively. They apmemorialized the work of Freddie Moulien as a goal kicker, affirming that he did maliciously and with malice aforethought kick two goals in the game with O. A. C. that meant victory for Oregon. With true blue spirit that characterizes every O. A. C. student the assertions thus made in public inensed the delegation and they came through with a curtain call that resounded vehemently through the building. But the university had the better of it by force of circumstances The essertions made by the quartet in ong that has rankled in the breasts of when a miniature cow on the stage was made to bellow in sarcasm as echo of the lusty yell, O. A. C. was sient. The by-play was thoroughly enloyed by the crowd. One and all, the visitors were entertaining and in many nstances exhibited classy skill.

### ONE BRIDGE IS DOWN. Channel Ready for Water, Though Old

Course is Still in Use. The channel for the Grande Ronde river below Perry, where it is to be diverted to make room for the new oad on the north side of the bank, is eady for water, and it is possible that Superintendent Campbell will change the course some time this week. He was in the city this morning buying provisions, and reports that he has discharged most of his crew, retaining only a few men to operate the pile driver in the construction of rip-rap. One of the bridges that is to be abandoned has been torn down, while the other is doomed during the coming days. A slight filling is necessary before the course of the river changes. In case of chinook winds that would thaw the snow in the mountains suddenly and fill the river abnormally, the work already done would be safe The project will soon be finished, though inclement weather would retard the finish some.

### Notice to Dog Owners.

Notice is hereby given to all dog owners that the 1909 dog tax tags are here in the hands of the city recorder, and that on and after January 1, 1909, all dogs found without said tax tags will be taken up and disposed of according to city ordinance.
