**Will Defend Mitchell.**

Indianapolis, Ind., Dec. 23.—The  
United Mineworkers of America, in  
executive session, formed plans for  
radical action in behalf of Mitchell.

Secretary Ryan refused to disclose  
the intended action, declaring that  
during the action of President Lewis  
he could not talk.

**Believe They Will Serve Time.**

Chicago, Dec. 23.—Labor leaders  
are excited over the sentences. The  
general belief prevails here that Gom-  
pers, Mitchell and Morrison will serve  
time. Local labor leaders in Chicago  
and the state federations are holding  
conferences.

**Will Appeal Decision.**

Gompers, Mitchell and Morrison  
were in court when the opinion was  
read. They gave notice of appeal.  
Gompers was released on \$5000  
bonds. The Mitchell and Morrison  
bonds were placed at \$4000 and \$3000  
respectively. The justice pointed out  
that before the injunction was issued,  
Gompers, Mitchell and Morrison and  
the Federation declared they would  
not obey it.

In the opinion just handed down,  
the justice says:

"Through the disobedience of the  
Federation, the law has failed in its  
efforts to arrest a widespread wrong  
and injury. There is a determined  
conflict precipitated between the de-  
cree of the government and the Fed-  
eration. One will succumb; for those  
who disobey the law are public ene-  
mies."

To Honor Darwin's Memory.  
Baltimore, Dec. 23.—While the sci-

entists of the whole western world are  
gathered in Santiago, Chili, for a dis-  
cussion of scientific matters of inter-  
est to all America, a less representa-  
tive but larger body of learned men  
will soon assemble in Baltimore for  
the annual session of the American  
association for the Advancement of  
Science. Not less than a thousand of  
the most scholarly men of the country  
will be in the Monumental City when  
the congress is formally opened five  
days hence, and many are already  
here. The faculty of Johns Hopkins  
university will act as host and a pro-  
gram of many interesting features has  
been prepared.

**Almost Stole Box Car.**

Tacoma, Dec. 23.—The Northern  
Pacific railroad officials are today

congratulating themselves that the  
thieves who looted a box car of nearly  
all its contents last night, did not car-  
ry away the car itself. Merchandise  
valued at thousands of dollars, were  
thrown from the car while en route  
from Seattle to Tacoma. When the  
car arrived here it was discovered that  
three-fourths of its contents were  
gone, including 50 boxes of shoes.
