

Ill Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's cough remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all good dealers.

How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's cough remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all good dealers.

BLAZE AT ELGIN TODAY

Elgin, Dec. 26.—(Special).—Fire this morning destroyed the elegant Cyrus Rush residence on the outskirts of the city, with a loss of \$1200, at the lowest estimate. The blaze was discovered only after considerable headway had been established and with but little water pressure at hand.

There was little to do but to save as much of the furniture as possible. Everything on the ground floor was removed in safety, but the fiercest portion of the fire was upstairs, preventing egress by the firemen. There is no insurance. The origin of the fire is unknown.

The Pastime.

Last evening the capacity of the Pastime was taxed to its uttermost. The pictures were just what the audience wanted. This evening the same program will be presented with the exception of the pictures entitled "The Song of the Shirt" and "Maggie, the Dock Rat." The first number mentioned is a dramatization of the famous poem which graphically depicts the awful conditions which confront the women who operate the sewing machines in the crowded tenement districts of New York. The other picture has to do with the wharf rat conditions along the water front, and will furnish excitement enough for the most exacting. Mr. Ferrin has returned and will sing two selections. One is entitled "Grandma," and the other will be of his own selection. Remember, the program this evening will be an exceptionally good one.
