Ill Health is More Expensive Than Any Cure.

This country is now filled with people who migrate across the continent in all directions seeking that which gold cannot buy. Nine-tenths of them are suffering from throat and lung trouble or chronic catarrh resulting from neglected colds, and spending fortunes vainly trying to regain lost health. Could every sufferer but undo the past and cure that first neglected cold, all this sorrow, pain, anxiety and expense could have been avoided. Chamberlain's cough remedy is famous for its cures of colds, and can always be depended upon. Use it and the more serious diseases may be avoided. For sale by all good dealers.

How One Doctor Successfully Treats Pneumonia.

"In treating pneumonia," says Dr. W. J. Smith of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's cough remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by all good dealers.

In case of stomach and bowel trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. T. Hill, druggist.

For a Lame Back.

When you have pains or lameness in the back bathe the parts with Chamberlain's liniment twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain, and you may be surprised to see how quickly the lameness disappears. For sale by all good dealers.

Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties, by day or night.

WOOLEN MILL IS ASSURED

The sale of the machinery in the old woolen mills to the Messrs. Bishop of Salem, has been confirmed by E. Y. Judd of Hartford, Conn., as predicted in the Tribune last week. The price to be paid is $5000, with no stock proviso as made in the original proposition by Mr. Judd. T. C. Taylor, for the time being representing the Messrs. Bishop, has accepted the offer in accordance with their instructions, relates the Pendleton Tribune.

Roy Bishop informed a Tribune reporter that he would erect a large concrete block fireproof mill on the site at the crossing of Webb street and the O. R. & N. tracks, if the land can be secured at a reasonable figure.

The business men's committee, headed by T. C. Taylor, is of the opinion that it will not be difficult in disposing of the $30,000 bond issue with an interest rate of five per cent per annum for a period of 20 years.

With these preliminary arrangements out of the way, the Messrs. Bishop will at once invest $15,000 in the new building and for machinery to make the plant thoroughly up-to-date and ready to turn out blankets, which will make this city once again famous as a manufacturing town. The blankets turned out by the old mill were the best advertising medium this city ever had in the commercial world. The name of the Pendleton blanket should once again be on the tongue of every merchant handling the best line of woolen blankets.

BUSINESS IS LIGHT.

Both Passenger and Freight Traffic Has Fallen Off Some.

Passenger traffic and freight business on the O. R. & N. is below the normal. The post-Christmas traveling is very light and the business done by the freight departments is such that two crews have had to be pulled off for the time being.
