RAPID PROGRESS ON ISI AND CITY STRUCTURE.

Carpen'ers Working on Third Story Today-Ready for Machinery Early in the Coming Year.

Remarkable headway is being made on the \$60,000 flouring mill at Island City, which will replace the one reduced to ashes some time ago. While a crew of 30 carpenters have been at work but a comparatively short period the structure has reached such a was that the third story has mitted shape. The holidays are retarding the work but slightly, as the builders realize that to have the entire system of machinery in working order by the middle of March, will mean haste at
