THE DEVIL'S AUCTION SOON

Charles H. Yale takes pleasure in sending out his "Everlasting Devil's Auction" company, and this year the introduction of a number of European specialties is particularly pleasing to the ladies and children.

These artists were among the recent importations of Klaw & Erlanger Advanced vaudeville, and upon the termination of their engagement with this noted firm, were secured by Manager Yale for his "Devil's Auction" company.

The scenery, mechanical, transformation and trick changes, have always been one of the "Devil's Auction's" strongest features, a fact fully appreciated by its management and not lost sight of in this, the 28th edition.

Quite a number of new scenes and effects have been prepared, notably "The Devil's Volcano," with marvelous electric effects; "The Realm of Mephisto," introducing at the finale of this scene a most original and novel

simultaneous change to a full stage "set" representing the "Beautiful Valley of Andoche"; two new comedy trick scenes, the "Gates of the Castle Morpheus" and the "Magic Picture Gallery," which in conjunction with the magnificent "Gardens of the Manikins," "The Grand Tournament Scene," with its many other elaborate changes too numerous to particularize, promise to make the 28th edition of "The Everlasting Devil's Auction" the most notable production of its phenomenal career.

For That Dull Feeling After Eating. I have used Chamberlain's stomach and liver tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—David Freeman, Hempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills, but cost more. Get them at all good drug stores and see what a splendid medicine it is.
