Segregate Sexes.

Chicago, Dec. 31.—Under a new rule adopted by the University of Chicago, effective today, women students will not be allowed to live at the same boarding houses where male students are housed. It is the custom of the university to "assign" students to suitable boarding places and as landlords are thus somewhat dependent upon the institution, the faculty hopes to be able to enforce the new rule without difficulty. The landlords are to be instructed to provide reception parlors for the young women where they can receive calls at "suitable hours."

Several Plan Trip.

On account of the fact that holiday rates are in effect and individual tickets can be purchased at one and a third fare, several La Grande people are planning on accompanying the football team to Pendleton this evening. The game tomorrow afternoon will undoubtedly be a hummer and will be an interesting affair to witness.

Held Final Practice.

The last signal drill has been given the local football team and everything is in readiness for the trip to Pendleton tonight. Those who will go as players are: Captain Ralph Reynolds, Harris French, Driscoll, Jasper, Bean, Grandy, Goodall, Caylor, Stites, Ben Grout, Fred Grout, Nelson, Childers, Heidenreich, Gillilan and Adler. Coach Wall and C. C. Clark of Union, will also accompany the squad.

Prohibition in the South.

Raleigh, N. C., Dec. 31.—North Carolina's state-wide prohibition law becomes effective tomorrow.

Jackson, Miss., Dec. 31.—All liquor licenses now in existence in the remaining eight "wet" counties of Mississippi will cease today, and the entire state will go "dry" tomorrow.

Montgomery, Ala., Dec. 31.—Under the new prohibition law, after today no liquor can be manufactured, sold or given away in the state of Alabama except in the following cases: The serving of liquors in ordinary social intercourse, in private residences, on the prescription of a doctor, with the amount limited to one pint a day to each person, alcohol for the use of arts, and wines for sacramental purposes.
