Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy. "On October 18th, last, my little 3-year-old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used."
