Crowd Grows.

Last evening showed a marked increase in attendance upon the special meetings in Central Church. The meeting has gone along under difficulties, owing to the weather, and the absence of Mr. King, who expected to do much toward introducing the evangelistic team. Now, however, the storm has abated and the minister has returned. Harris and wife are worthy of a good hearing and will get it under normal conditions. The work is of such a nature that members of the various churches may all derive benefit from attending. The sermons are free from abuse. There are lacking the sensational schemes for getting mere numbers. Still under Mr. Harris' work, many have become Christians. Central church has had several fine meetings and with the help secured for this campaign and the earnest work of faithful members, there is no doubt but that this meeting will result in much good.

Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy. "On October 18th, last, my little 3-year-old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used."
