## LOAN FUND DAY HERE ATTRACTS LARGE CROWD.

Excellent Program Carried Out in Proper Style in Connection With Loan Fund Day—The Program.

Educational Loan Fund day in La Grande was properly kept. In fact, the event proved a real musical treat for those who were keen enough to seize the opportunity presented. The attendance was favorable even though the weather was inclement. The club parlors in the Anthony home on Sixth street were comfortably filled by guests and club members who were anxious to swell the fund collected this day in all women's clubs of the state for the aid of education-hungry who are without the necessary means to procure it. Bishop Paddock favored the audience with a brief address of interest to all. The appended program was carried out:  
Piano solo—"Last Hope," (Gottschalk) ..... Mrs. G. C. Cummings  
Violin solo—"Berceuse," (Godard) ..... Miss Bertha Young  
Accompanied by Miss Jean McDonald.  
Vocal solo—"For Thee," Victor Kemp ..... Mrs. A. L. Richardson.  
Quartet—"Gypsy Life," ..... Schumann  
Mesdames Silverthorn, Upton, Polack, Anthony.

### THE DOCTOR'S QUESTION.

Advice Against the Use of Harsh Purgatives and Physics.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver. This condition poisons the system with noxious gases and waste matter which naturally accumulates and which must be removed through the bowels before health can be restored.

Salts, ordinary pills and cathartics may be truly likened to dynamite. Through their harsh, irritating action they force a passage through the bowels, causing pain and damage to the delicate intestinal structure which weakens the whole system, and at best only produces temporary relief. The

repeated use of such treatments cause chronic irritation of the stomach and bowels, hardens their tissues, deadens their nerves, stiffens their muscles and generally brings about an injurious habit which sometimes has fatal results.

We have a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of its great curative value that we promise to return the purchaser's money in every case when it fails to produce entire satisfaction. This remedy is called Rexall Orderlies. We urge you to try them at our entire risk.

Rexall Orderlies are very pleasant to take, they act tranquilly to take, they act quietly and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect, and they may be taken at any time without any inconvenience.

Rexall Orderlies overcome the drugging habit and cure constipation and all similar ailments, whether acute or chronic. They are especially good for children, weak persons or old folks. Price, 36 tablets, 25c, and 12 tablets, 10c. A. T. Hill, druggist.

bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used."
