TYPICAL RANCHING

Union, Jan. 28.—The Union Republican said last night:
 Frank Hempt sold about \$500 worth of hogs to La Grande buyers Saturday last and on Tuesday of this week shipped two cars of hay. It is a cold day on the Hempt place when there is not something to sell. The creamery check of this ranch runs about \$75 per month. Hempt Bros. have demonstrated what can be done on Grande Ronde lands by good management and continue effort, and there are plenty of others in the Grande Ronde doing the same thing. Grande Ronde lands, backed by intelligent management, and industry, are better than a gold mine.

21 GIVEN DIVORCES

Divorces granted during the October term of circuit court in this county number an even 21. This large number has worked havoc with Cupid's efforts, for since October the winged youngster has succeeded in wedding off but few more than the circuit court has divorced. The total number of divorces were not granted in a day by any means, but during the session of the October term, that many made successful application for legal separation by Judge Knowles.

Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.
 "On October 18th, last, my little 3-year-old daughter contracted a severe bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23d, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by all good dealers.
