

AMUSEMENT

"The Burgomaster" Wednesday.

Manager William P. Cullen has produced the famous Lochhart Sisters.

HIGHS WIN FROM COVE

The La Grande high school basketball team hung one on Cove last Saturday night, score 22 to 18. The team was handicapped in team work by the cramped quarters in which the game was played, but quickly adapted themselves to conditions. There was little of the spectacular about the game, the players being able to shoot for goal from practically every corner of the field. At the end of the first half the score was 18 to 9 in favor of La Grande, but in the second half the Cove team profited by frequent free trials at goals. While there were innumerable fouls called, there was no objection to any of them, and the boys came home pleased with the treatment accorded them at Cove.

Rush for Seats.
One day—one hour, to be more explicit—worked wonders with the appearance of the seating arrangement for "The Burgomaster" this morning. In less than half an hour only a few seats remained to mark the rest of the middle section, while before evening the entire board was disfigured. The rule was the most rapid of any this season.

missed connections in Washington. The hippodrome which they present is marvelous, say advance reports. They will likely arrive tonight, but on account of the large bulk of scenery and property which the team carries, they cannot show this evening, even if they should arrive on the 5:30 train.

FERMS IN HER SYSTEM.
Every Woman Should Read This.
The number of diseases peculiar to woman is such that we believe this space would hardly contain a mere mention of their names, and it is a fact that most of these diseases are of a catarrhal nature. A woman cannot be well if there is a trace of the catarrhal germs in her system.
Some women think there is no help for them. We positively declare this to be a mistaken idea. We are so sure of this that we offer to supply medicine absolutely free of all cost in every instance where it fails to give entire satisfaction or does not substantiate our claims. With this understanding, no woman should hesitate to believe our honesty of purpose, or hesitate to put our claims to a test.
There is only one way to cure catarrh. That way is through the blood. You may use all the snuffs, douches or like remedies for years without getting more than temporary relief at best. Catarrh is caused by a germ. That germ is carried by the blood to the innermost part of the system until the mucous membrane is broken, irritation and inflammation produced, and a flow of mucous results, and you can probably realize how silly it is to attempt to cure such an ailment unless you take a medicine that follows the same course as the germ or parasite.
